SUBTITLE 3. EVALUATION AND PLANNING SERVICES

15-301.

(a) An individual who is eligible for medical assistance at the time of application for admission to a licensed nursing home or would become eligible within 6 months following admission shall be provided a comprehensive face-to-face evaluation prior to admission, at no charge to the individual. The Department, under the Maryland Medical Assistance Program, shall pay for the evaluation. The evaluation shall include an assessment of an individual's health, social and functional status and recommendations for available services which could appropriately substitute for nursing home care. The evaluation is advisory only and may not serve as the basis for any action, including denial or commencement of benefits, that restricts the freedom of any individual to select from among any of the available services,
