

including nursing home care, for which the individual is found to be medically eligible. Prior to beginning the evaluation process and annually thereafter, the Department shall prepare and publish an inventory of available services for use in the evaluation and shall provide this information for assistance to the individual upon completion of the evaluation.

(b) The Department shall adopt rules and regulations to carry out the provisions of this section.

(c) This section may not be construed to require a hospital or physician to detain a patient for an evaluation beyond the appropriate date of discharge.

DRAFTER'S NOTE: This corrects the omission of a subtitle designation immediately preceding § 15-301 of the Health - General Article.

Section 15-301 was added to the Health - General Article by Ch. 459 of the Acts of 1986, but Ch. 459 did not add a new subtitle designation.

The omission of the subtitle designation was noted by the Michie Company.

18-206.

(a) In this section, "sentinel birth defect" includes:

(12) [Down] DOWN'S syndrome.

DRAFTER'S NOTE: This corrects a misspelling in § 18-206(a)(12) of the Health - General Article.

The misspelling of the term "Down's Syndrome" occurred in Ch. 38 of the Acts of 1986.

The misspelling was noted by the Computer Division of the Department of Legislative Reference.

18-213.

(b) While treating or transporting an ill or injured patient to a medical care facility, if a paid or volunteer fire fighter [or], emergency medical technician, OR RESCUE SQUADMAN comes into contact with a patient who is subsequently diagnosed as having a contagious disease, the attending physician or physician's designee who receives the patient shall notify the fire fighter, emergency medical technician, or rescue squadman and employer or employer's designee of the individual's exposure to the patient.

DRAFTER'S NOTE: This adds clarifying language to §
