

18-213(b) of the Health - General Article.

Rescue squadmen were amended into all other provisions of Ch. 763 of the Acts of 1986 relating to the notification of volunteers of an exposure to contagious diseases.

The clarifying language was suggested by the State Attorney General in his bill review letter of May 12, 1986.

19-114.1.

(b) The institution-specific plan shall address:

- (1) Accurate bed count data for licensed beds and staffed and operated beds;
- (2) Cost data associated with all hospital beds and associated services on a [hospital specific] HOSPITAL-SPECIFIC basis;
- (3) Migration patterns and current and future projected population data;
- (4) Accessibility and availability of beds;
- (5) Quality of care;
- (6) Current health care needs, as well as growth trends for such needs, for the area served by each hospital;
- (7) Hospitals in high growth areas; and
- (8) Utilization.

DRAFTER'S NOTE: This corrects a misspelling in § 19-114.1(b) of the Health - General Article.

The misspelling of "hospital-specific" occurred in Ch. 109 of the Acts of the Regular Session of 1985.

The misspelling was noted by the Computer Division of the Department of Legislative Reference.

19-115.

(j) (5) This subsection does not apply to:

- (i) Site acquisition;
- (ii) Acquisition of a health care facility if,
