

WILLIAM DONALD SCHAEFER, Governor

(d) Assure that the Local Coordinating Councils consider all alternatives for the provision of services to handicapped children and their families in the community;

(e) Plan and coordinate with the Local Coordinating Councils concerning the adequate provision of multiple agency services to handicapped children requiring residential placement;

(f) In cooperation with the Local Coordinating Councils, monitor the services being provided to children placed in residential programs;

(g) Establish and maintain a multiple agency information system to assure agency accountability and provide State service planning capability; and

(h) Coordinate such evaluations of residential facilities for handicapped children as are required by statute.

6. This Executive Order is effective [on July 1, 1982] IMMEDIATELY.

-----

EXECUTIVE ORDER OF APRIL 14, 1987

01.01.1987.11

MARYLAND EMERGENCY RESPONSE COMMISSION

WHEREAS, There is danger to our environment and our citizens from hazardous chemical material and, as a result of this, steps must be taken for both emergency planning and for collection and distribution of information concerning hazardous materials to those employees and communities who may be affected; and

WHEREAS, Title III of the Superfund Amendments and Reauthorization Act of 1986 (Public Law 99-499) requires the Governor of each state to designate a State Emergency Response Commission; and

WHEREAS, Said Emergency Response Commission shall have the responsibility of establishing Emergency Response Planning Districts; and

WHEREAS, Said Emergency Response Commission shall have the
