(4) An annual State tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.

(5) Except as otherwise provided in this Act, before a State agency or institution named in this Act as responsible for an individual item may begin work with funds secured under this Act, the agency or institution shall provide satisfactory assurance to the Board of Public Works that the work described in the individual item can be completed with the funds specified for that item.

(6) If federal funds are available to help accomplish any project identified in this Act, the State agency or institution responsible for the project shall make efforts through proper administrative procedures to obtain these federal funds. Before spending any funds secured under this Act, the agency or institution shall certify its efforts to the Board of Public Works and state the reason for any failure to obtain federal funds. If federal funds are obtained, they shall be used to defray the costs of the project described in this Act, not to expand its scope.

(7) For any project listed in Section 1(3) of this Act for which preliminary planning funds are appropriated and for which the program required by § 5-309(d) of the State Finance and Procurement Article has not been prepared, the State agency or institution responsible for the project shall submit a program to the Department of State Planning for approval before the planning funds may be spent. For any project listed in Section 1(3) of this Act for which funds for construction are appropriated and for which the preliminary plans and outline specifications required by § 5-309(f)(2)(i) of the State Finance and Procurement Article have not been prepared, the State agency or institution responsible for the project shall submit the plans and outline specifications to the Department of State Planning for approval before the construction funds may be spent.
