

EXECUTIVE ORDERS

(7) The Department of Health and Mental Hygiene shall provide staff support necessary for the completion of the Advisory Council's duties and as provided in the State Budget.

C. Scope of the Advisory Council

The Advisory Council shall be the primary body to recommend to the Governor policy regarding Acquired Immune Deficiency Syndrome and shall include:

(1) Investigating and exploring means by which State and local governments and the private sector may develop a partnership to interrupt the spread of AIDS;

(2) Developing and promoting public awareness and educational activities designed for prevention of the disease; and

(3) Developing and making recommendations concerning the care and treatment of individuals with the disease;

(4) Advising the Governor of appropriate steps State officials need to take to implement the recommendations of the Advisory Council; and

(5) Advising any organization in Maryland that seeks counsel on AIDS, including State and local governments, the private sector, and non-profit organizations; and

(6) Perform other necessary duties as assigned by the Governor.

-----

EXECUTIVE ORDER OF JULY 27, 1987

01.01.1987.19

MARYLAND STATE AGENCY FOR SURPLUS PROPERTY

(Rescind Executive Order dated 12/21/64 and 01.01.1977.09)

WHEREAS, Federal surplus personal property is currently distributed in Maryland by the Maryland State Agency for Surplus Property, a unit of the University of Maryland, pursuant to the authority granted by an Executive Order dated December 21, 1964, and referenced in Executive Order 01.01.1977.09 effective October 17, 1977, which Executive Order formally designated the Maryland State Agency for Surplus Property as the official State agency, for purpose of Public Law 94-519, to be responsible for the fair and equitable distribution of federal surplus property donated
