

(iv) The State Board for Community Colleges;

(v) The Maryland Higher Education Loan Corporation; and

(vi) The State Advisory Council for Title I of the Higher Education Act of 1965. (Annotated Code 1957, Article 77A, § 31; 1978, Chapter 22, § 2.)

(2) In consultation with the Department of Budget and Fiscal Planning [and the Department of State Planning], the Commission shall present to the Governor, on or before a date set by the Governor, and simultaneously submit a copy to the General Assembly, a consolidated operating and capital budget for higher education that includes the operating and capital budget requests of the governing boards and institutions listed in paragraph (1) of this subsection, the operating budget request of the Commission, a report on the current funding of the adopted sets of peer institutions, and recommendations regarding the funding of higher education.

(3) In cooperation with the Department of [State] BUDGET AND FISCAL Planning, and without affecting the authority or responsibility of the Department under the State Finance and Procurement Article, the Commission shall:

(i) Review proposals for capital projects and improvements proposed by the public institutions of higher education in this State, and by nonpublic institutions of higher education seeking State funds for capital projects and improvement; and

(ii) Develop and submit to the Governor and the General Assembly recommendations as to these projects, which shall be consistent with the plan provided for in this section.

16-401.

(g) (1) The budget of each community college, as approved by the county governing body under this section shall be submitted to the State Board for Community Colleges for informational purposes. This budget shall include a personnel detail.

(2) Proposals for capital projects shall be submitted to the Department of [State] BUDGET AND FISCAL Planning through the State Board for Community Colleges.

23-205.

(b) (1) The State shall pay all capital expenses for:

(i) The State Library Resource Center; and
