36.13.00 MORGAN STATE UNIVERSITY
(Baltimore City)

The General Assembly is concerned that adequate planning, management and oversight of capital projects have not occurred at Morgan State University in the past as evidenced by numerous requests for supplemental appropriations. Senate Bill 123 gives Morgan State University greater control over the management of its capital program. In passing this legislation, the General Assembly expects improvements in the management of these projects and a decrease in the number of supplemental funding requests.

(A) New Ductbank. Prepare detailed plans and construct a new ductbank to serve the Montebello complex	500,000
(B) Engineering Building Addition. Provide the final phase of capital equipment for the Addition to the Engineering Building	500,000
(C) Campuswide Site Improvements. Prepare preliminary plans for campuswide site improvements. <u>It is the intent of the General Assembly that funds for these site improvement projects should be requested as part of specific building projects where possible and be based on a facilities master plan</u>	100,000
(D) Hill Field House. Provide supplemental funds to construct alterations and an addition to Hill Field House	1,341,000
	<u>886,000</u>
