15-10B-09.

(a) In this section, "attending provider" means an obstetrician, pediatrician, or other physician or certified nurse midwife or pediatric nurse practitioner attending the mother or newborn child.

(b) Except as provided in subsections (c) and (d) of this section, the criteria and standards used by a private review agent or health maintenance organization in performing utilization review of hospital services related to maternity and newborn care, including length of stay, shall be in accordance with the medical criteria outlined in the most current version of the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists.

(c) Subject to the provisions of subsection (d) of this section, a private review agent or health maintenance organization performing utilization review of hospital services related to maternity and newborn care shall authorize a minimum coverage of:

(1) 48 hours of inpatient hospitalization care following an uncomplicated vaginal delivery; and

(2) 96 hours of inpatient hospitalization care following an uncomplicated cesarean section.

(d) (1) The private review agent or health maintenance organization may authorize a shorter length of stay than that provided in subsection (c) of this section if the mother, in consultation with her attending provider, decides that less time is needed for recovery.

(2) For a mother and newborn child who have a hospital stay shorter in length than that provided under subsection (c) of this section, the private review agent or health maintenance organization performing utilization review shall authorize:

(i) one home visit scheduled to occur within 24 hours after hospital discharge; and

(ii) an additional home visit as may be prescribed by the attending provider.

(3) For a mother and newborn child who remain in the hospital for at least the period of time provided under subsection (c) of this section, the private review agent or health maintenance organization performing utilization review shall authorize a home visit as may be prescribed by the attending provider.

(4) A home visit under paragraph (2) or (3) of this subsection shall:
