

**REVISOR'S NOTE:** This section is new language derived without substantive change from former Art. 75, § 85.

In subsection (a) of this section, the reference to "[a] court in a county where a crime is committed" is substituted for the former reference to "the court before which such presentment or indictment shall be found" for clarity.

Also in subsection (a) of this section, the former reference to "offense" is deleted as included in the reference to "crime".

In subsection (a)(1) and (2) of this section, the references to being a "resident" are substituted for the former references to being an "inhabitant" for consistency with the reference in subsection (b) of this section of a county where the person "resides".

In subsection (a)(2) of this section, the reference to the authority of a court to issue process against a person charged with a crime even if the person "leaves the county" is substituted for the former reference to a person who "shall remove after the commission thereof and shall be presented or indicted in the county where the crime or offense shall have been committed" for brevity and clarity.
