

In the introductory language of subsection (d)(1) of this section, the reference to "special assistant State fire marshals" is substituted for the former reference to "special deputy fire marshals" for accuracy.

In subsection (d)(1)(ii) of this section, the former phrase "in case of an emergency", which modified "emergency evacuation procedures", is deleted as redundant.

In subsection (e) of this section, the reference to licenses and permits issued under "this article" is retained in the revision although the Public Safety Article includes provisions from articles other than former Article 38A. No substantive change results because the powers of the State Fire Marshal are the same under this article as under former Article 38A.
