

consideration by the General Assembly, that in subsection (d)(1)(i) of this section, the reference to "quality or reliability of gas supply or electric power supply" is substituted for the former references to "illuminating power, purity or pressure of gas" and "initial efficiency" and "regulation of the voltage" for clarity. No substantive changes are intended by this substitution.

Also in subsection (d)(1)(i) of this section, the term "electric power supply" is substituted for the former term "electric incandescent lamp supply" for clarity.

In subsection (d)(2) of this section, the signature requirement for compelling investigation of a complaint by the Commission is revised as a prerequisite to entitlement to an investigation.

In subsection (e)(1) of this section, the phrase "against a person" is added for clarity.
