

Amend by inserting after the word "city," in section 1, line 14 of printed bill, the following:

"Provided, however, the said commission shall not cause the sewerage of said city to empty into the waters of Chesapeake bay or its tributaries, without first having obtained approval of the State Board of Public Works, and not even then until the said sewerage shall have been put through scientific processes, so that the same shall have been freed from all injurious matter which would be detrimental to the oyster industry of the State, in the judgment of the State Board of Public Works,"

Was adopted at the session of Friday, March 15th.

Which motion was rejected by yeas and nays, as follows.

AFFIRMATIVE.

FURTHER AMENDMENT PROPOSED.

By Mr. Kirwan:

Amend by inserting in line 14, section 1, after the word "city" the following: "No sewage, either in a crude state or after being subjected to chemical or other treatment, nor any of the products or results thereof, shall under any circumstances be emptied into the Chesapeake bay or its tributaries, or upon any marsh or marshy land contiguous thereto."

PROPOSED SUBSTITUTE FOR AMENDMENT PROPOSED.

By Mr. Brewington:

The sewerage brought from Baltimore city shall by no
