

Ques.—In what election district were you a voter last November?

Ans.—Hungary Neck district.

Ques.—Were you at the polls on that day?

Ans.—In the evening I was ; I did not go in the fore part of the day.

Ques.—State while you were there, whether you saw any person prevented from voting.

Ans.—I arrived there about 3½ P. M. I saw no persons prohibited from voting. Some were required to take the oath who voted for Mr. Crisfield.

Ques.—But there was no one prevented from voting who took the oath? What oath do you allude to?

Ans.—To Gen. Schenck's Order No. 53. A great many would not take the oath, and they cut Mr. Crisfield's name off the ticket and then voted without taking the oath. When that ticket was presented to the judge, if there was no Congressman on it, he turned to the officer and handing it in, said there was no Congressman on it, and the ticket was placed in the box.

Ques.—The objection was to Mr. Crisfield, and not to any of the other candidates?

Ans.—Yes, Sir. I did not hear of any objection to any other candidates.

Ques.—Was there any rumor through the district the day before the election, or at any other time, about the presence of the military at the polls?

Ans.—There was, the day before. After I got there in the evening, I was told that I would not be allowed to vote without taking the oath.

Ques.—You did vote, though?

Ans.—Yes, Sir.

Ques.—Do you know of any persons who were deterred from going to the polls, in consequence of these rumors, as to the military?

Ans.—I overtook two men on the road who said they would not go there if the soldiers were at the polls; one was Mr. Isaac Austin; the other, Mr. James Paton.

Ques.—From your own knowledge of the district, can you state what is the usual Democrat vote?
