Medical Pavilion In Israel To Be Dedicated To Governor

A \$100,000 medical pavilion to be built in Israel will be dedicated to Governor McKeldin, it was announced yesterday.

This honor is part of the Histadrut humanitarian award, which Governor McKeldin will receive at a special dinner in his honor on December 7, according to Judge Herman Moser, Magistrate Stanley Scherr, Simon Sobeloff and Dr. Herman Seidel, honorary chairmen of the award committee. **Syn**

The Governor is being cited for outstanding work on behalf of the Jewish people and the State of Israel, it was stated. He is the second recipient, the first having been President Truman last year.

Located In Rehovoth

The Gov. Theodore R. McKeldin medical pavilion will be part of the new Eliezer Kaplan Memorial Hospital in Rehovoth, Israel, the home of the late Chaim Weizmann, first President of Israel. It is one of the oldest settlements in the state.

The pavilion will aid considerably in relieving overtaxed facilities of the area. It will be a part of Kupat Holim, the Histadrut medical service in Israel, a voluntary co-operative medical organization that has treated more than 1,000,000 patients in Israel. **NOV. 13 1952**
