

JUDGE CARMICHAEL —The statement made in one of the Eastern Shore papers, that this gentleman had been released from Fort Delaware, is supposed to be erroneous. Residents of Judge Carmichael's judicial district who came to this city yesterday discredit the statement, as they heard nothing of his release previous to leaving home. It is reported that the Hon. James H. Ricard has been tendered and accepted the appointment of special judge for the Circuit Court for Kent county, which commences at Chestertown on Monday next.
