

Governor and Mrs. Nice to Be  
Guests at White House Tonight.

Governor and Mrs. Harry W. Nice will go to Washington this evening to be guests at a White House reception given by President and Mrs. Roosevelt.

Last evening, Governor and Mrs. Nice spent in Baltimore, where they were present at the dinner at the Lord Baltimore Hotel in honor of the President's Birthday, later visiting the various balls in celebration of that event. Senator George L. Rodcliffe, of Maryland, presided at the dinner at which former Governor Albert C. Ritchie also was a guest.

Governor and Mrs. Nice, and former Governor Albert C. Ritchie were among the subscribers to boxes for the large ball held at the Lyric, in Baltimore, for the benefit of children who are sufferers from infantile paralysis.
