Dear Governor Mandel:

Thank you very much for your invitation to be present at your announcement of your intentions for the 1970 Primary. Rest assured I would be delighted to be present if it were not for my court duties.

I think I can in all honesty say I believe I know what your announcement will be.

Thank you again for thinking of me.

With kind personal regards,

Sincerely yours,

Hon. Kathryn J. Lawlor Shook
Court House
Rockville, Maryland

Dear Judge Shook:

As you are aware, the voters of the State of Maryland last November approved the Constitutional Amendment establishing the District Court. That same Constitutional Amendment contained provisions completely reorganizing the Commission on Judicial Disabilities. Pursuant to that Constitutional Amendment, a new Commission will be appointed.

Your service on the previous Commission on Judicial Disabilities was of great benefit to the State and you have made a real contribution toward the solution of the many problems in this area.

Please accept my thanks on behalf of the people of Maryland, and for myself personally, for all that you have accomplished.

Sincerely,

Governor
