

2641 North Charles Street, Baltimore, Md.

Oct. 28, 1901.

To the Honorable Judges of the
Court of Appeals of Maryland,
Annapolis, Md.

I beg to enclose herewith my petition for admission to the Bar of the State of Maryland in conformity with the rules adopted by your Honorable Court. Whilst apprehending no difficulty in securing the requisite permission to take the State Bar Examination at such time as may be designated by the Board of Examiners, I deem it prudent, in view of the fact that some question has been raised as to whether or not provision has been made in the law for the admission of women to the Bar of the State, to request, that I may be allowed to submit, through my counsel, an argument by brief, in support of my right as a woman to take the examination under the law, if the same ~~be~~ seriously questioned by your Honorable Court.

Respectfully submitted,

(Miss) Etta H. Maddox.
