

\$400 Raised for Snowden Appeal

Liberal Response to Appeal For Funds to Help Carry Case of Convicted Man to the Court of Appeals,

That John Snowden must have every legal means exerted in his behalf was urged by speakers at a well-attended meeting at Allen A. M. E. Church Tuesday night. About \$400 was raised to aid in the condemned man's defense.

The speakers included: Rev. C. H. Steptean, who started the movement here for Snowden's defense; Rev. P. W. Wortham, D. R. Page, Capt. Geo. W. Brown, William H. Langley, Mrs. Jennie H. Ross and Archie Gray.

It is hoped to raise \$1,500 in order to aid Snowden in making an appeal, and meetings looking toward securing the amount needed will be held in several city churches.

There is a strong belief that John Snowden is innocent of the murder of Mrs. Lottie Brandon, that his conviction was contrary to the evidence presented at his trial and that every effort must be made to secure him fair trial.

Another meeting in the interest of the fund will be held at Sharp Street Memorial M. E. Church Monday night.
