Hon. Arthur G. Ellington  
Mayor of Annapolis  
City Hall  
Annapolis, Maryland.

Dear Mayor Ellington:

This will acknowledge receipt of the resolution, under date of May 12th, passed by the Mayor and Aldermen of the City of Annapolis resolving that the new spur road into and from Annapolis to the Washington-Annapolis Expressway shall be named the "Roscoe C. Rowe Boulevard".

It is indeed gracious of the Annapolis City officials to honor our late distinguished citizen, who was a personal friend of all of us.

Noting that a copy of this resolution has already been sent to the State Roads Commission, I am requesting Mr. Russell H. McCain, Chairman of the Commission, to give the matter his fullest consideration, and advise you of the Commission's decision.

With kindest personal regards, I am,

Sincerely yours,

Theodore R. McKeldin  
Governor.
