## Dr. Olive Cole Named Professor Emeritus

BALTIMORE, Nov. 19 (AP).—Dr. B. Olive Cole was named a professor emeritus of the University of Maryland School of Pharmacy yesterday as she approached retirement after 33 years on the staff. Dr. Cole is professor of pharmacy administration and secretary of the faculty. She was 70 last Saturday and retires on November 30.

Dr. Noel E. Foss, pharmacy school dean, told the university's board of regents Dr. Cole "is recognized for her many accomplishments throughout the United States."
