Hon. James Campbell

James Campbell, aged 86 years, Civil War veteran and former state legislator, who died at his home in Barton, early yesterday morning, after a week's illness, will be buried Friday afternoon in Laurel Hill cemetery, Moscow. Funeral services will be held at the home in Barton tomorrow at 2 o'clock, with Rev. James M. L. Eckhard, pastor of the Barton Presbyterian church, officiating.

An escort of ex-service men from Lonaconing Post of the American Legion will accompany the body to the cemetery and there conduct military rites for the Union veteran.

Native of Scotland
Mr. Campbell was a native of Scotland, being born in Glasgow, July 3, 1844, the son of Joseph and Catherine (Dalrymple) Campbell, both of whom are deceased. After coming to this country he was reared from childhood in the George's Creek region, where he was regarded as an honored public official.

At the age of thirteen years he began digging coal, following that occupation in the George's Creek region until the outbreak of the Civil War, in which he served three years. He was among the enlisted soldiers and was assigned to the Second Maryland Infantry. In 1864 he was honorably discharged after three years of service under General Kelly's command. He resumed coal mining on his return and in 1870 engaged in the mercantile business, continuing it for several years.

Active in Politics
Mr. Campbell was a staunch Republican, and one of the regular party workers for the last half century. He was six times chosen to represent Allegany county in the House of Delegates, in the Fall elections of 1892, 1898, 1914, 1918, 1920 and 1924. On July 15, 1924, after completing his term at the House of Delegates, he was appointed assistant door keeper at the House of Representatives, Washington, D. C., through the efforts of Congressman Frederick N. Zihlman. This appointment was a life time position, which is only filled by ex-Union soldiers of the Civil War.

As chairman of the Allegany county delegation in the 1918 session of the House of Delegates, he procured the appropriation for the erection of the State Normal School at Frostburg. He also obtained passage of a bill to increase the salaries of school teachers.

During Benjamin Harrison's administration he received the appointment of Coal and Wood Inspector for the United States Navy Yard at Washington, D. C. (1880). President McKinley appointed him Assistant United States Appraiser at the port of Baltimore in 1897, and after eight years of service there in that capacity he was transferred in 1906 by President Roosevelt to the office of Deputy Surveyor of the Port of Baltimore, where he remained another period of eight years. He was later returned to the House of Delegates and during that period in 1904 was elected and served as Department Commander of the Grand Army of the Republic Department of Maryland. At that time he was one of the Commission whose names are inscribed on a monument erected in Druid Hill Park, in memory of the Union Soldiers of Maryland, 1861-65. His name was also inscribed on one of the ten cannons at Fort McHenry in 1907.

Mr. Campbell was a member of the Odd Fellows Lodge, of Barton and a charter member of the Knights of Pythias lodge of that town.

Leaves Seven Children
He was married on May 28, 1868, to Miss Emily Frumhart, of Newburg, Va., now deceased. He is survived by one daughter, Mrs. John Stewart Shaw, of Wilmington, Del., and by six sons: John, Washington, D. C.; Joseph, Akron, Ohio; James, Westernport; Dr. William Camp-
