The Commissioner of Pensions

Washington D.C.

Sir:

I have the honor of returning herewith Papers and of submitting my report in the above stated claim for pension, made under Act of June 27, 1890. Which was referred for special examination to determine the question of claimants dependency, the amount of property in her possession, income, etc.

Owing to claimants previous illness, this case was taken up a little out of its regular order.

otherwise it would have been
retained except in such.

The sailor died seized of three
pieces of real property, assessed
at $4038, 224 West Biddle St. $1700 - 12 feet
20th St and 508 Orchard St at $500 property
in this city being assessed at one
half of fair value as appears. Personal
estate $100 - Claimant was appointed
administratrix and by an order
the Court did sell property 508
Orchard St. for $1500 subject to ground
rent of $12 per annum, this became
necessary owing to the fact that
the sailor had left the estate
entangled with a number of debts,
And which, money as appears in
evidence, was wholly applied to
the liquidation of the indebtedness
so that should the only stock
and fixtures of the store (12 x 20 ft.)
without the building itself be add-
which I have satisfied from pa-

funeral observation would not realize more than $100,- and the the amount of indebtedness yet unpaid amounts to $300 as set forth in the deposition of Paul M Burnett Atty for Administrator, the widows dower in the residue, which is only a life interest, would amount to less than $2000,; and has stood it became necessary to sell either or both of the remaining properties in order to settle the estate at public sale,

The orphans court has passed this for account against the estate & the Amount of $1433.47 which does not include the funeral expenses of decedent or costs of administering on the estate which is estimated will amount altogether to $300 or more. While the estate has not as yet received personal estate And the evidence tends to show that the only real property in which claimant can had any interest was her dower interest in that of her late husband. Two horses owned

any title or property in her own right - yet in the unsettled condition of said estate I am of the opinion that there is sufficient evidence to show that the claim is such as would comply with the provisions of Act of June 27, 1890 and I will therefore transmit said papers for adjudication.

Very respectfully

DEPOSITION A

Case of Mary E. Williams, No. 241,302

On this 15 day of March, 1895, at Baltimore, County of Baltimore State of Maryland, before me, J. H. Brooks, a Special Examiner of the Pension Office, personally appeared Mary E. Williams, who, being by me first duly sworn to answer truly all interrogatories propounded to her during this Special Examination of aforesaid pension claim, deposes and says: My age is 46 years Postoffice address 226 West Biddle St. Town. I am widow of Isaiah G. B. Williams who served in the U.S.S. "Cobi" "Santiago de Cuba" and "Puritan" and who died in this house March 21st 1894 at. and on whose account I am now an applicant for pension under the Act of June 27th 1890.

I was married to my late husband November 25th 1874 by Rev Warren Cook. Neither of us had been previously married. Neither of us was ever divorced.

At the time of my husbands death I was left with the following named children under sixteen years of age, to wit.

Reinaldo W.S. Williams born Nov 5th 1876
Zenobia M. " April 20th 1882
Roberta A. " Aug 13th 1885
Ravina C. " Apr 19th 1887

These children live and are living with me and have been since my husbands death.

There was not married since my husbands death or lived with any man

6—515

2 At the time of your testators death what real or personal estate did he die possessed of?

A At the time I married my late husband he owned $1500 outright, that was the only piece of property he owned then. He sold that property about 1880 or 1881, to the man who now occupies the place. I can't recall his name. It was in my husbands name and he sold it for $500. subject to a ground rent of $18.25 per year. My husband invested that money in his business which he carried on at 1616 and 1618 Penna Ave on 12 Nat'l 20th St. Also invested part of that money in this house. My husband bought this property in 1883. in his own name. paid $300 for it. in fee simple. There is no incumbrance whatever on this property except back taxes amounting (principal and costs.) to $76.27. The store property one story building No 1210 20th St. I value at $500 but it is assessed at $1700 This property is subject to ground rent of $120 per year.

The foregoing are the only properties that either my late husband or myself have ever owned.

My husband personal estate at time of his death consisted of nothing but our household furniture that I dont think I could get $100 for and the stock and fixtures which in the market at best would be $700 or $800. I am or rather my son who is running the business is trying to sell it. At the time my husband

The property for which my husband paid the $3500 is the home we are now living in.
I would like to have my pension claim settled upon. The estate is settled for the reason that I do not wish to be compelled by Auction sale my homes or property in order to settle the indebtedness with estate. The whole family of six children are dependent on me for their support. and I pray my son that attends to the business for me for nothing. That boy is nineteen years and my eldest child a daughter 21 years.
When I stated that I thought the stock and fixtures are worth $3500 in 1890, that is what I would like to get some there but if forced to sell them at Auction I dont think they would bring more than $1500.
When first my husband took sick we had a good deal of money and my answers do

DEPOSITION

Case of Thomas E. Williams No. Tray 44 302

On this 18 day of August, 1897 at Baltimore, County of Baltimore, State of Maryland, before me, W. H. Snooth a Special Examiner of the Pension Office, personally appeared Owen T. Williams, who, being by me first duly sworn to answer truly all interrogatories propounded to him during this Special Examination of aforesaid pension claim, deposes and says:

I my Age is 49 years. Post Office address 226 East Fayette St. City. I am the applicant and I am conducting the business (Privateers) which my father D. B. Williams was conducting and owned up to the time of his death. I am the executor of my mother Thos. Williams

1 Do you know the value of the stock and fixtures of the business you are now carrying on for your mother?

A On the 15th inst I took stock and it amounted all told to about $55.35 that is the wholesale price the goods purchased. The fixtures I value at $35 making a total of about $90 altogether.

2 Do you do a grocery business in addition to privateers?

A No sir simply Wholesale privateers.

3 Do you keep a set of books that is a day book and cash book and ledger?

A We keep a ledger and pass book only.

4 What is the amount of the due the estate from customers on the pass

Page 1 Deposition 12

5—515

A There is due the estate from sales which were made during my father's life time some 300 or 400 which I do not consider collectable as we have placed that account in the hands of different lawyers and have not been able to collect any of it. The only account coming out side of those is account at Ohio which have accumulated from sales made on credit this month which amount to $98.67 which Sargeant owes.

Q How are you employed at present

A Am employed on a farm

Q How much money do you get

A $25 per month

Q After you pay the expenses of the stock you don't have anything left. We are not able to pay any of the back bills, that is our greatest trouble with the business. During the summer months we don't do enough business to pay our bills for the reason that most of our customers are out of town.

Q Have you made any effort to collect the accounts

A Yes I advertised it some three weeks ago, but found no person to.

Q What amount is the business of the store worth

A How do you want those to find. Take out those three helpers and the total amount of those wages in the year is $1040 per week and we handle

When my father was living he kept
just as much help as I chose to
run the business and paid me $30 a week
until my father was taken sick
about a year and six months
ago. And from this time both myself
& boy received no wages as he
stayed at home with his sick father
& mother from the business for
three or four months. About all the
goods purchased, the bills and
accounts & bills except a few
the folk from this date.

2 The reason I do not receive any
wages is because the business does
not justify it. I stand at home
with my mother.

2 What is the amount due creditors
who has claims against the
business at date

A The amount due at the time of my
father's death by the business was
about $1500. And then since his
death I have contracted bills which
was for stock which I have to
have made to pay from the business
Amounting to about $400.

By Atty.

2 Has your stock increased or decreased
since your father's death?

And in 1876 I bought his interest out and paid him $200 in cash, balance in instalments, which instalments I completed paying before he died. In my affidavit made May 1st 1894 I fixed the amount of the indebtedness of the estate from what I could learn told by reading the family of additional claims against the estate but from the income other than I have stated. The family depended on what we could get from the claim, what debts we can find to.

By Atty Frank Nolan

2 Q Was it not a fact that you your brothers and you were connected with other members of the family as to the financial condition of the affairs?

A Yes Sir.

2 Q At the time of that consultation were the indebtedness of the deceased talked over?

A Yes Sir,

2 Q Were your former affidavits relative to the amount of unpaid

bills against the estate based upon the result of the count?

A Yes Sir.

Q Have you any recollection as to the amount of your bills or the bills at that time?

A That was the only bill I thought he owned at the time; that one bill I knew was against the estate.

Q When were the bogus bills run up, was it a recurring expense?

A Yes Sir.

Q These four appeals were read over by you before signing, were they not?

A Yes Sir.

Q And you state to the Commissioners that the statements therein are true to the best of your knowledge and belief?

Q About the prosecution witnesses, do you know whether they are making any claims against the estate?

DEPOSITION D

Case of Mary E. Williams, No. 14.307

On this 16th day of June, 1890, at Baltimore, County of Baltimore State of Maryland, before me, J. H. Brooks, a Special Examiner of the Pension Office, personally appeared Paul McSweeney, who, being by me first duly sworn to answer truly all interrogatories propounded to him during this Special Examination of aforesaid pension claim, deposes and says

Q. Say, Sir, if you are, your age, residence and occupation.

A. My age is 27 years, residence 716 St. Paul St. Baltimore. I am Att'y at Law. I am attorney for the administrating of the estate of Isaac D. B. Williams.

Q. Has any settlement been made of the estate as yet?

A. No Sir. There has not been time enough to pass upon the debts of the deceased.

Q. Have you as yet a complete account by the administrator of the indebtedness or claims pending against the estate?

A. There is not a complete list of claims against the estate. Shortly after the death of I. D. B. Williams, all his property, with the exception of the female grocery and provision business on 20th St. and the property on Riddle St. was sold. The latter was counted in to cover the purpose of paying the claims. I found the latter about $300. short of the sum required for this purpose.

Page 22 I believe it was the intention of Mrs Williams to sell out the grocery business for the purpose of meeting this disbursement but not this is the only source to get a sum of money sufficient from the sale of the business for this purpose there will be necessary. And it is my opinion that when the estate is finally settled she will have nothing but her dower interest in the property of the estate as she is living with her children in Biddle St. This interest will be very small and will not yield her any income.

I know Mrs Williams has no other property or property interest other than is set out above. The year allowed by law for the settlement of the estate has not expired and will be settled then if this Witness is able in the meantime to procure the necessary amount of money required in addition to that already in hand. The interest in the Biddle St property is only a life interest in one third.

By Attorney Frank Nolan

Q. When you said Mrs Williams will probably have to sell the 20th St business to procure funds for the settlement of the estate. Did you mean that the entire business including the building

A. I do not regard the building as having very much value except to secure the ground rent. I think the ground rent represents almost the entire value of the property.

Q. In case the fails to pay this money, what are the clauses of settlement of this estate.

A. If the fails to pay the amount to meet the defficiency, the creditors can proceed against her and execute against the property, and if they (the) claim in this way can file a bill in equity for the sale of the Bedell St property. Any such proceedings would be opposed by the trustees, would be obliged to, would add to the cost of selling the estate, and the delay proceeding in equity of such a cause would be very long.

(To which question by atty.)

By Special Examr.

Q. What in your opinion would be the fair interest amount to a sale of the Bedell St property be worth?

A. About 200 or 250 dollars per annum.

NEIGHBOR'S AFFIDAVIT.

State of Maryland, County of Baltimore, ss:

In the matter of the claim of Mary E Williams Widow of late of Isaiah A.B. Williams Co. ~~Company~~ of the ~~Regiment of~~ 11 Md. Vols.

Paul M. Burnett, aged 29 years, a resident of Baltimore city Md, aged ~~years~~ years, a resident of ~~Baltimore~~

whose Post-Office address is Baltimore Md

who being sworn, declare in relation to aforesaid claim as follows:

I am personally acquainted with Mrs Williams. I have known her for about two years and have been Attorney for her during that period. I settled up her husbands estate for her, and if I remember correctly the personal estate was not sufficient to pay off his debts and the expenses of settling the estate.

I consider Mrs. Williams entirely dependent. All she owns is a life estate in one third of the value of a small house on Biddle St., where she lives with her family. This interest does not pay her any income whatever and simply affords her a place of shelter. I should judge her interest was worth $150 to $200. and this is all she has.

This is all in my own hand writing written by me at my office 16 St Paul St Baltimore, Md. the 25th day of February 1896 and is making the second I have not been aided or prompted in any oral, printed or written statement not attached hereto as an exhibit.

I know these facts from my own personal knowledge.

I have no interest whatever in his claim, and am not not related to claimant.

NOTE.—Affiants should state how they gain a knowledge of the facts to which they testify.

I am the attorney for Mrs. Mary E. Williams and have been employed by her to settle up the Estate of her late husband J. O. B. Williams. In my opinion her interest in that Estate will not amount to more than $700. or $300. and as that interest, whatever it may be, is in a small piece of Real Estate, will require an expensive litigation to determine the interest She and her children have. This yields her no support whatever. She is now having this home to live in, she has no means of support for herself and children that I am aware of. I have not yet been able to get enough money together to pay off the creditors of her husband and unless she will be able to binor the money it will be necessary to proceed against the property above mentioned, which will even reduce her interest very much. This is in my own handwriting. I have not been approached by anyone in writing it and no one has made any suggestion to me. I have no interest whatever in the claim.

I further declare that I have no interest in said case, and am not concerned in its prosecution.
