Mr. Beagant
Dear Sir

I send with this a sketch
entitled "A Glimpse of the Future" hoping
you will accept it as a token of my high
respect and esteem. I regretted exceedingly
the night of the "Festival" not having been a
member with my Brother Artists of the
Century Club, that I might have added
mine with theirs, it comes late, but with
not less warmth of feeling, or appreciation
of the kindness so often extended to us.

Very sincerely yours

Edwin White
