
N O T I C E.

HAVING been considerably injured by being security for fundry persons for debts, and from various causes and misfortunes that have happened to me, I am rendered incapable of paying all my debts; I intend therefore to petition, the next General Assembly of this State, to be released and discharged from the payment thereof, upon delivering up all my property, for the benefit of my creditors.

BENEDICT WOODWARD.

Frederick County, October 3, 1791.
