| IN CASE OF ACCIDENT Maryland law requires the operator of a vehicle involved in an accident to stop immediately and remain at the scene of the accident until the following requirements have been met: |                              |                                                 |  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|-------------------------------------------------|--|
| (1) Stop the vehicle                                                                                                                                                                                    | at the scene of the accident | until the following requirements have been met: |  |
| (2) Stop the vehicle                                                                                                                                                                                    | at the scene of the accident | until the following requirements have been met: |  |
| (3) Stop the vehicle                                                                                                                                                                                    | at the scene of the accident | until the following requirements have been met: |  |
| (4) Stop the vehicle                                                                                                                                                                                    | at the scene of the accident | until the following requirements have been met: |  |

| SAFETY SEAT AND BELTS All children under age 18 must be in safety seats or safety belts and children under the age of 4 or weighing 40 pounds or less must be in safety seats. The driver and front end passenger must be in the driver's seat or in the passenger seat. Use of available restraint is recommended. |  |  |  |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|

| RIGHT TURNS You may turn right at a red signal after coming to a complete stop, unless there are signs posted at the intersection which read "NO TURN ON RED." |  |  |  |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|
|----------------------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|

WELCOME TO THE BEAUTIFUL STATE OF MARYLAND

We are blessed with a diverse environment rich in natural resources, including a true natural treasure, the Chesapeake Bay.

The State of Maryland is committed to preserving and protecting these resources which enhance the lives of all who live and work in, or visit our great state.

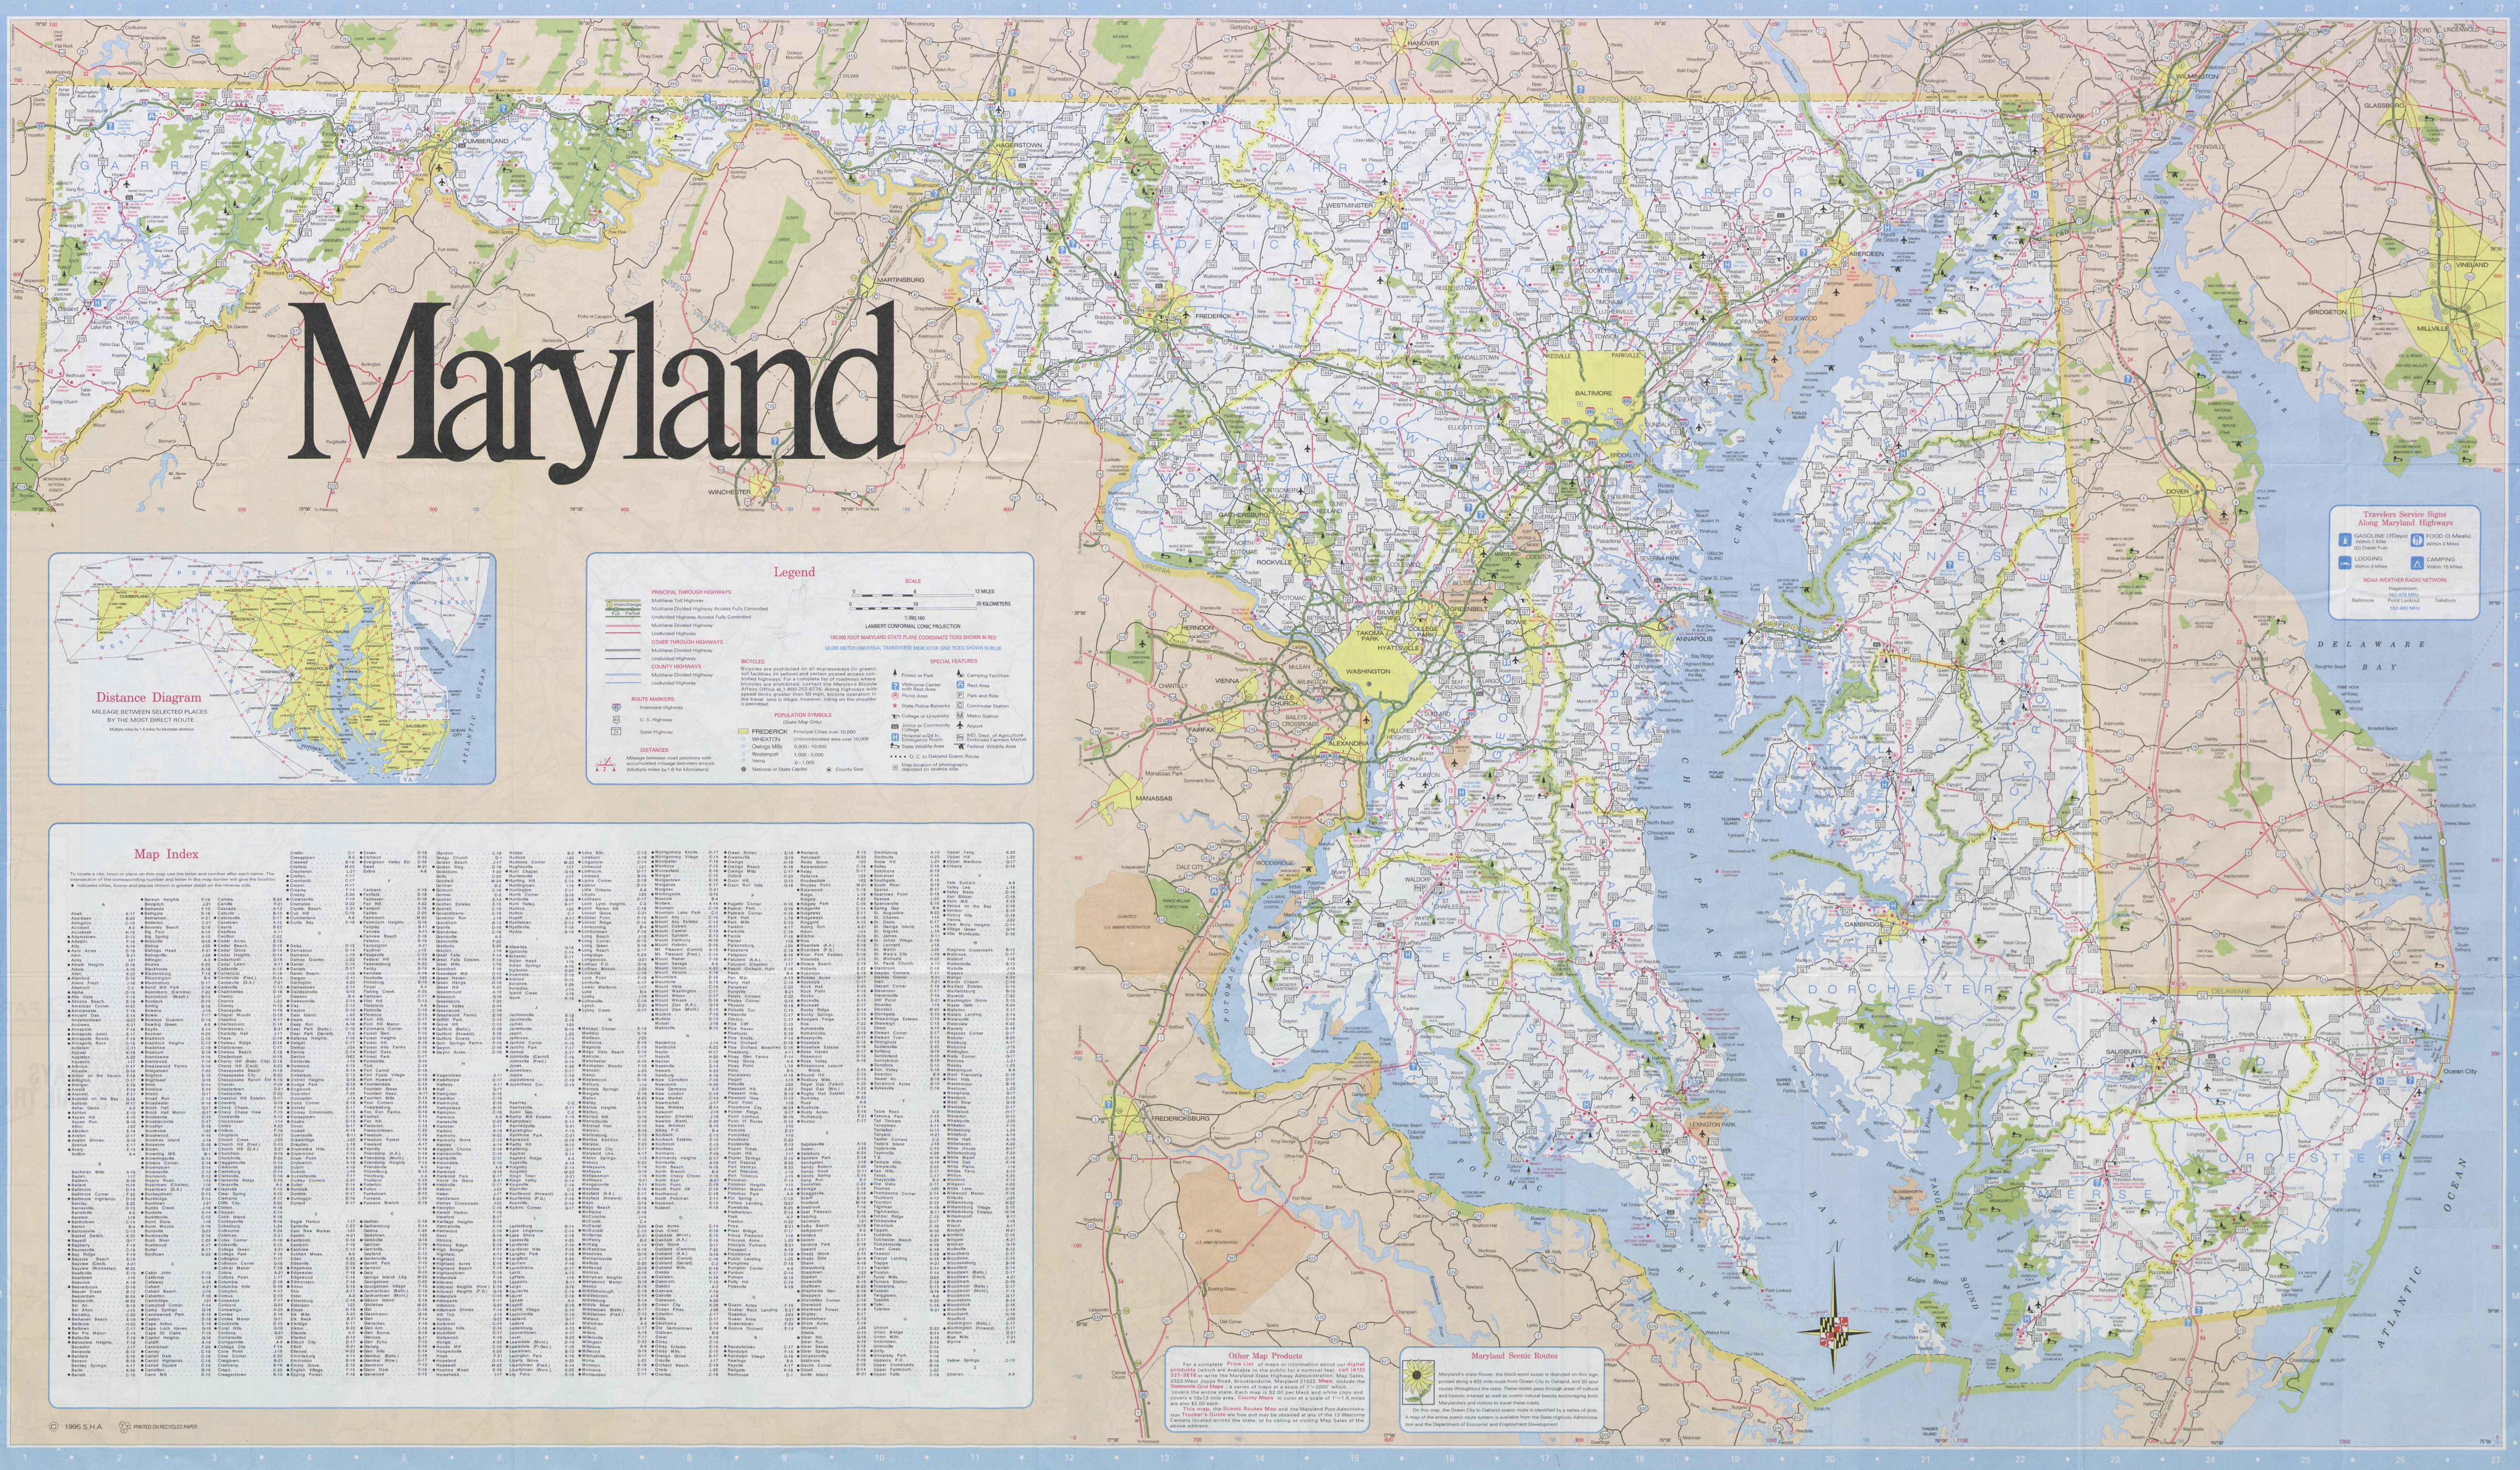

As you travel through Maryland, please do your part to help us achieve our environmental goals. Together we can ensure that future generations will continue to benefit from these valuable resources.
