N. B. YORK, May 22
Wednesday last came into Port, a French Brig
taken by the Captains Fenton and Skinner, of
this Port: She is a beautiful Vessel, and the
same that Captain Spring, of Philadelphia, defend-
ed so gallantly against a French Privateer, on his
Voyage from Jamaica for Bristol: She was bound
from Leoganne for Coracoa when taken, where
she was to have been fitted out as a Privateer,
having all her Stores on board, 4 Carriage Guns,
with 50 Men, and a tolerable Cargo of Indico,
Coffee and Cotton.

The same Day also was sent in here by Capt.
Dwight, in the Privateer Brig Charming Sally, a
large French Schooner, which he took the 30th
ult. She was bound from St. Mark's, on Hispani-
ola, for Nantz, and is esteemed a valuable
Prize, having a considerable Quantity of Indico on
board.

Extract of a Letter from Albany, dated the 13th
Instant, being a Relation of the Murder committed
at the German Flats, near Fort Herchamer, by
80 Indians, and 4 Frenchmen.

About 12 o'Clock on Monday the 30th of
April last, an Oneida Indian acquainted Captain
Herchamer, that a Party of 80 Indians, and 4
Frenchmen, were near his Fort, and would cer-
tainly come down and attack the Settlements that
Day, and advised Captain Herchamer to go into
the Fort, and take as many of the Inhabitants
with him, as he could collect. About 3 o'Clock,
most Part of the Inhabitants, having Notice from
Captain Herchamer, left their Houses and assem-
bled at the Fort; four Families, that had fled
from Henderson's Purchase, in the Spring, for
Fear of the Enemy, could not get in, and had in
their Houses two Indian Traders, of the Name of
Clock, and six Waggoners, that were carrying
Capt. Gage's Baggage to the Fort. At 4 o'Clock,
all of a sudden the Houses were attacked; and the
Waggoners being surprized, run up Stairs, the
better to defend themselves. The Indians imme-
diately rushed into the House, and killed and
scalped all that were below; some of the Indians
attempted the Stairs, but they were knocked
down by the Waggoners; they then fired up thro'
the Loft, and soon were joined by more Indians,
who fired many Shot quite thro' the House, and
proposed to set it on Fire, which intimidated John
Ebel, a Waggoner, to such a Degree, that he
leaped out at a Window, thinking to make his Es-
cape, but was soon killed; the other five defend-
ed themselves with great Intrepidity, having killed
one Indian, until they were relieved by a Party of
Rangers, who came to their Assistance, and after
exchanging a few Shot, the Indians fled, seeing
our People have the Advantage of a Log Fence.

Capt. Herchamer says he saw four or five of
the Indians drop, but were carried off. In the
above Affair, 33 of the Inhabitants were killed,
and Lieut. Hair, of the Rangers, received a slight
Wound in the Breast. Next Day some Oneidas
came down to trade, and met the Enemy going
off, who told them they had six of their Company
killed, and nine wounded.

Next Morning a Woman came into the Fort
that had been scalped, besides having her Nose
almost cut off, with a Wound in her Breast, and
another in her Side. She is likely to recover, re-
lated all that happened till she was scalped; and
says there were Onondago Indians among them.

Some Time ago Captain Troup, in the Sturdy
Beggars, of this Port, took up at Sea a Number
of Frenchmen, in a Long-boat, who were Part of
the Crew of a Ship that was cast away at the Ca-
causes: They had in the Boat upwards of 4000 l.
in Gold, which Capt. Troup took proper Care of,
and landed the Frenchmen safe on Hispaniola.

PHILADELPHIA, May 25
Monday last arrived here Capt. Titcomb from
Halifax, by whom we have Advice that Admiral
Boscawen's Fleet, consisting of nine Sail of the
Line, two Frigates, and two Fireships, arrived
there on Tuesday the Ninth Instant, and that they
were to sail for Louisburg the Tuesday following,
if the Wind served: That Sir Charles Hardie had
taken a French Frigate, after an obstinate Engage-
ment, it blowing so fresh that he could not open
his lower Ports: That two French Line of Battle
Ships, and four Frigates, had got into Louisburg;
which Vessels Capt. Rous saw lying in the Har-
bour, and was so near it, that the Shot from the
Forts flew over him: That the Transports from
Ireland were not arrived, and it was said they had
met with a Gale of Wind, that separated them
from their Convoy, the York Man of War, which

had put into Lisbon: And that the Fleets from
Boston and this Port were arrived here, but that
from New York not got in the daily expected.
Captain Minshall, in the Blakeney Privateer of
Barbados, has taken a Dutch Ship, and two
Sloop, laden with Sugar, &c. bound to St. Eu-
stacia from Guadaloupe.

Our Accounts from Albany are as follow:
On the Ninth Instant two French Prisoners
were brought in here. They were taken at Ticon-
deroga by Capt. Starks, who had been out with
a small Scout, and on his Return, near Fort Wil-
liam Henry, took a Canadian Militia Lieutenant,
and three Sailors, that had escaped from Long-
Island: The Prisoners say, that the Garrison at
Ticonderoga consists of about 400 Men, and at
Crown-Point as usual; and that the Indians (ab-
out 140) who engaged Rogers's Party last Win-
ter, were all gone, and that they lost in that Af-
fair about 27 Men.

The Fifth Instant Rogers, with a Party of
17 Men, took four Frenchmen; and they were til-
ling some Ground on the East side of Lake Cham-
plain, almost opposite to Crown-Point.
The Sixth, Captain Jacobs, with 17 Stock-
bridge Indians, fired at 45 Men, in three Battoes,
opposite to Ticonderoga; two of the Battoes got
off, but the third they took, in which were 17
Men, seven of whom were scalped, the rest brought
in: These People inform, that in Rogers's Battle
in the Winter, tho' several of our Men surren-
dered, yet they were all killed, upon some Scapls be-
ing found in their Pockets; and that one Pringle,
Roach, a Serjeant, and a Volunteer, wandered
five Days in the Woods, and were found near
Ticonderoga, almost froze to Death. They were
sent to Montreal.

On Thursday last Capt. Smith arrived here from
Bristol, who, on the Sunday before, was attacked
by a French Privateer, of 18 Guns, about 25
Leagues from our Capes; but upon exchanging
about Twenty Shot, she shivered off. And some
Vessels have come up since that were chased, it is
thought, by the same Vessel.

We have Advice from Bethlehem, in North-
ampton County, that the Shouting of Indians has
been heard lately in a Swamp near Mr. Broad-
head's; and that one Joseph Hillman, and his
Brother, going to a Mill from Fort Hamilton, the
former had his Thigh broke by a Shot from the
Enemy, but having Horses, they escaped.
The Rev. Mr. FRANCIS ALISON, Vice-Provost,
and one of the Professors of Philosophy in the
College and Academy of Philadelphia; was ho-
noured with the Degree of a Doctor in Divinity,
by the University of Glasgow, the 26th of June,
1756; and received his Diploma by Captain
Gardner, who lately arrived in this City, from
Newry.

ANNAPOLIS, June 1
The General Assembly of this Province, which
stood prorogued to the 26th Instant is further Pro-
rogued to Monday the 24th of July.
Last Friday Morning Mr. John Flint, of Prince-
George's County, was found lying Dead in a little
Puddle of Water which scarcely cover'd one of
his Nostrils, and is suppos'd there to have fallen
from his Horse.

Tuesday last a large good Dwelling House, be-
longing to Mr. John Weems, at West-River, about
three Miles below the Meeting House, took Fire,
by means of a foul Chimney, and was burnt down,
with almost all the Furniture; for when the Fire
got to a Head on the Roof, where there was a
great Quantity of Lead, it melted and run down
so as to prevent the People going in to save any
Thing.
