**SCHEME of a LOTTERY**

FOR Raising One Hundred and Fifty Thousand Pounds to be applied toward purchasing a LIBRARY to be kept at *Baltimore*, for the Use of the Public according to the Custom of Public Libraries; but to be managed by an Undertaking of the same Nature, though small, will not be out of the way in its Consequence, that has met with Encouragement; and as it must be acknowledged by all who understand the Nature of Public Libraries, to be of very great Advantage to the Inhabitants of any Place, where they may acquire useful Learning and Knowledge by reading of many BOOKS, at a very small Expence, it is hoped, that this laudable and useful Undertaking, will meet with Encouragement from all Lovers of Civil Society, especially seeing the Advantages can be no great Lossers, there being NO BLANKS, and it will by no Means be confined only to themselves, but be of a general Utility to some large Libraries that have been encouraged.

**MEDICINES,**  
For the speedy Recovery of all such as are afflicted with any of the undermentioned Disorders.

**RIVINGTON and BROWN,**  
Bookfellers and Stationers in MARKET-STREET, PHILADELPHIA, have just imported the following most excellent and universally approved of Medicines, prepared very carefully by the eminent *Dr. HILL*, of *London*, viz.

For the Cure of the GOUT and RHEUMATISM, A NEW DISCOVERED MEDICINE, called, ELIXIR of BARDANA.

The BARDANA is a common innocent British Plant; its Virtues against the Rheumatism have always been known; and the Physicians of *Edinburgh*, who have distinguished themselves eminently in the Improvement of Medicine, now give it constantly and successfully in that Disease: The Author claims no Merit but that of extending its Use, assisting its Efficacy, and reducing it to a Form in which it may be more conveniently taken. It is pleasant, safe, and effectual; and if we judge from the first Experience upon himself, and the happy Effects of its Use in a Number of other Cases in *London*, there is Ground to hope these Diseases will no longer so grievously torment Mankind. Price Seven Shillings a Bottle.

For the certain Cure of the SCURVY, LEPROSY, and all Obstinate Disorders of the SKIN, THE ESSENCE of WATER-DOCK.

The Virtues of which are such, as to cure the most inveterate Degrees of the Scurvy; it not only clears the Skin of all Breakings out, but mends the Constitution. Persons afflicted with the Scurvy are subject to have bad Stomachs, and to be miserably low-spirited, and many have those Complaints, not knowing that the Scurvy is the Cause. This Medicine takes off the Faintness, creates an Appetite and Digestion immediately, clears the Skin, and prevents future Eruptions. Price Seven Shillings a Bottle.

The most successful Medicine that ever was used for the effectual Cure of the GRAVEL and STONE; called, The Tincture of Golden Rod.

This Medicine has been found very excellent in preventing the Gravel from concreting to Stone, and discharging it without Pain; it will bring away all Gravel as fast as it is deposited in the Kidneys, and never suffers it to lodge or form Stones again; and it has been found by Experience to excel *Mrs. Stoughton's*, and all other Medicines used in dissolving Stones. Price Nine Shillings a Bottle.

For the Cure of all NERVOUS DISORDERS, FITS, HEAD-ACHS, LOW-SPIRITS, CONFUSED THOUGHTS, VAPOURS and MELANCHOLY; A MEDICINE CALLED, The Genuine Tincture of VALERIAN.

It is a pleasant Cordial, and enlivening Medicine, it cherishes the Spirits, cures Wanderings of the Mind, all Kinds of Convulsions and Hysterick Complaints, Elipses and Palpits in all their Stages. Also it is excellent in Sickness of the Stomach, and in Flatulencies, Obstructions, and the convulsive Asthma. Price Six Shillings a Bottle.

Also of the above RIVINGTON and BROWN may be had the following POWDERS, SEXTON'S POWDER,

For the certain Cure of the SMALL-POX and MEASLES.

This Powder, from the incontestible Proofs of Success in Families of the greatest Distinction and Reputation, makes it almost needless to mention its superior Excellence to the Cure of that dreadful Distemper the Small-pox; which by this Medicine is rendered no more dangerous than any common Eruption, being possessed with that specific Virtue, as to destroy the Malignancy of the poisonous Matter, and discharging it by gentle Perspiration, which, from an over Quantity, occasions all the dangerous Attendants of the Disease; it helps Nature, by throwing out the variolous or pocky Matter from the internal Vessels to the external Parts, kindly promoting a due Maturation (so difficult to be obtained by the common Methods of Practice) and entirely prevents the secondary Fever, and will with the greatest Certainty cure most Fevers in a short Time, and it withal so innocent as to be given to Children in the Month, without the least Hazard or ill Effect by any Violence of Operation. These Powders have saved the Lives of many Thousands; are in the utmost Esteem in Europe, and have been greatly used in recovering Negroes in the West-Indies. Price Twelve Shillings for a Quantity sufficient for the Recovery of a single Patient.

Dr. JAMES'S POWDER for FEVERS.

This Powder, if taken agreeable to the Directions, will remove any continual Acute Fever in a few Hours, though attended with Convulsions, Light-headedness, and the worst Symptoms, but if taken at the beginning of a Fever, one Dose is generally sufficient to perform a Cure. It is likewise a most effectual Remedy for all-internal Inflammations, Pleurifies, Quinsies, Acute Rheumatism, and the Lowness of Spirits, and Uneasiness proceeding from latent Fevers, which are generally mistaken for Vapors and Hysterics. And a single Dose remarkably stops the Progress of a Cold, and certainly prevents the ill Consequences arising from that very common Disorder, the Source of almost all Distempers. Price Six Shillings for a Paper containing two Doses.

Likewise at the same Store is sold, Several Sorts of perfumed Waters, Smelling Bottles, Court Plaster, Tooth Powder and Brushes, and an elegant Assortment of Jewelry and Trinkets.

THERE is in the Possession of *Matthew Pigman*, near the upper Bridge on *Seneca*, in *Frederick* County, taken up as a Stray, a Black Mare about 13 Hands high, branded on the off Shoulder something like IH, she has a Star in her Forehead, and her hind Feet are white.

L O S T by the Subscriber, out of his Father's House, in the Time of the Provincial Court, a Dark coloured Drab Great Coat, almost new, with Hair Buttons and an Osnabrigs Pocket to it. 'Tis supposed to be taken away by Mistake, and shall be obliged to the Person who has it, for it's Return. J. HUTCHINGS, junior.

Baltimore County, Sept. 22, 1762.  
W H E R E A S *Jane*, the Wife of the Subscriber, has Eloped from him, and tho' now returned, it evidently appears to be only with a Design to do him greater Damage: These are therefore to forewarn all Persons not to trust her upon his Account, for he will pay no Debts of her Contracting after the Date hereof. ALEXANDER MORLAND.

T H E R E is at the Plantation of *Thomas Davis*, near *Nanjemoj*, in *Charles* County, taken up as a Stray, a Light Iron Grey Horse about 13 Hands high, branded on the near Shoulder MR [joined together] has a Switch Tail, a hanging Mane, paces slow, and appears to have been used to the Draught.

The Owner may have him again, on proving his Property, and paying Charges.

R A N away from the *Ocequan* Iron-Works, in *Virginia*, on the 26th of August last, a Servant Man named *John Milborn*, who, in order to discharge a Debt of about 35 l. due by Bond to the Honourable *John Tayloe* and *Presly Thornton*, Esquires, Indented himself as a Servant for the Term of Three Years, commencing the 16th of August last. He is about 30 Years of Age, 5 Feet 10 Inches high, a very raw boned clumsy Fellow, of a dark Complexion, talks slow, with a faltering Voice. Had on at the Time of his going off, a blue Cloth Jacket lined with Plaiding, an Osnabrigs Shirt and Trowsers, a new Felt Hat, new Shoes, and Steel Buckles. By Trade he is a Forge Carpenter, and may probably engage himself at some of the Iron-Works in *This*, *Maryland*, or *Pennsylvania* Governments: It is therefore expected that none of the Managers of such Works, will employ the said *Milborn*, unless they agree to discharge the Debt he owes to the said *Tayloe* and *Thornton*, Esquires.

Whoever secures the said Servant, and will deliver him to me at the said Iron-Works, shall receive Five Pounds Reward if taken in this Colony; and Ten Pounds if taken in any other Government, and reasonable Charges, from THOMAS LAWSON.

Alexandria, August 30, 1762.  
T H E Subscriber once more is under the disagreeable Necessity of Prolonging the Drawing of his Lottery, as some Gentlemen who had the Sale of his Tickets have made no Returns of the Number fold; and to prevent any Disputes or Misunderstandings, which he foresees must happen for the Want of proper Returns; he now fixes upon the 10th Day of *November* next for Drawing the said Lottery, and the 20th Day of *October* next for the Return of Tickets unfold, from the several Gentlemen who had the Disposal of them.

It has been reported, that the Subscriber has no just Title to some of the Lands mention'd in his Scheme:—He begs Leave to assure the Public, that his Title to the Whole is indisputable, which any Person may know at the Proprietor's Office, and that all Reports to the contrary are false, as they are malicious, and can be only intended to retard the Sale of some few Tickets on Hand. JOSEPH WATSON.

R A N away from the Subscriber about the Middle of *July* last, a Negro Man named *Bacon*, middling tall and spare, about 50 Years of Age; had, when he left me, a very long Beard, which had not been cut for many Years, some grey Hairs in it, he complains of his Eyes failing him, and walks at Times a little Limping.

Whoever secures the said Negro, and brings him to his Master, living near *Pig-Point* on *Patuxent* River, shall be paid Thirty Shillings for their Trouble. SAMUEL LANE, Son of *Joseph*.
