

THE Commissioners appointed by the King for the Sale of Lands in the Islands of Grenada, the Grenadines, St. Vincent, Dominica, and Tobago, and for adjusting and settling with the French Inhabitants of St. Vincent and Dominica, the Terms and Conditions on which his Majesty has been graciously pleased to direct that the said Inhabitants may become British Subjects, and remain in Possession of the cleared Lands they occupied at the Time of the Surrender of the said Islands, &c. &c. being informed that some Misapprehensions and Doubts have arisen concerning the Tenor and Meaning of the said Terms, the Commissioners, the better to enable the said Inhabitants clearly to comprehend the same, have directed the subsequent Abstract, taken from his Majesty's Instructions, to be translated into French, and dispersed in the said Island.

Abstract of the Terms and Conditions contained in his Majesty's Instructions, relative to the French Inhabitants of the Island of St. Vincent and Dominica.

THE native Caribbees of St. Vincent are permitted to remain undisturbed in their Cottages and Grounds, and the French Inhabitants in that Island and Dominica are encouraged to continue on the Lands which they have cleared, and to enjoy their Possessions, by Virtue of Leases under the Crown in the following Manner, and subject to the following Conditions, that is to say: The Lessee is to take the Oaths of Allegiance, and make and subscribe the Declaration of Abjuration; he is to hold by his Lease only such cleared Lands, as he was at the Surrender of those Islands, and still is possessed of, excepting where his very great Convenience makes some small Alterations necessary, in which Case small Parcels of contiguous Lands may be added and comprized therein as the Commissioner shall judge reasonable. In Cases where Lands were held before the late Peace by several French Proprietors jointly, some of whom are since retired from them, the said Lands are to be severed into Parts, and Indulgence shewn in the Division to those who are contented to remain and receive their Portions. But the Lands which have been occupied by religious Societies are not included within the Meaning of these Provisions, nor intitled to the same Favour, but are to be otherwise disposed of. And if any French Inhabitant there happens to be, who has occupied more than Five Hundred Acres of Land, as above described, in St. Vincent, or Three Hundred in Dominica, his Possessions are to be reduced to those Numbers. Neither the Leases, or any Part of the Lands thereby demised, are assignable to any other Person, without a Licence first had from the Governor-General, and the Approbation of the Lords Commissioners for Trade and Plantations: And a Covenant is also to be inserted in the Lease, that the Lessee shall reside at least one Half of the Year, in the Island where the Lands lie. If it shall be found necessary to appropriate to public Uses, cleared Lands in the Possession of any French Inhabitant, he shall be paid for any Buildings, or Improvements thereon by fair Appraisement, and be allotted uncleared Lands in lieu of his cleared Lands so appropriated as above-mentioned.

Under the Restrictions, and with these Conditions, Leases, to be signed by the Commissioners, and passed under the Seal of the Islands, may be granted for the Terms of fourteen, twenty-one, thirty-two, or forty Years, at the Option of the Lessee, or (if they prefer it) for fourteen Years, renewable at the pleasure of the Lessee for a further Number of Years, not exceeding forty in the whole. And, in Consideration hereof, certain Fines are to be paid down and Quit-rents reserved to the Crown, according to the Nature and Circumstances of the Case. But if any French Inhabitants shall not be disposed to occupy the Land he has already cleared, upon the Terms of the Lease required of him, he will be permitted to take up uncleared Lands, unincumbered with those Terms, to be allotted him by the Commissioners, in lieu of the former, and be moreover paid for the Buildings thereon, by fair Appraisement.

Notice is hereby given, that the Commissioners intend to repair, with all convenient Speed, first to the Island of St. Vincent, and from thence to Dominica, in order to determine in each Island the several Matters which are to be settled with the said Inhabitants, in Conformity with the above Instructions: And moreover, in order to facilitate and expedite such Settlement, the said Inhabitants are required previously to prepare, and have in Readiness to be given in, to the said Commissioners on their arrival, a full and exact Account of the following Particulars.

- I. The Number and Names of all white Persons, and of all other free Persons in each Family.
- II. The Number, Names, and Ages of the able Slaves and others belonging to each Family.
- III. A descriptive Account of the cleared Lands possessed and occupied by each Family, expressing the Number of Quarries, or Extent which the same consists of, what Parts thereof are under particular Culture, and with what planted; also a Description of the Buildings and Improvements thereon.
- IV. The Determinations of the said Inhabitants with regard to the Terms and Conditions explained in the preceding Abstract, declaring which of the Alternatives offered, they severally prefer, in order to become British Subjects, and enjoy the Privileges and Advantages of that free and happy Government.

And, lest any improper Insinuations should be used to alarm or prejudice the said Inhabitants, it is declared, that such Information is required with no other View, than to enable the Commissioners the more easily and speedily to settle the Business that is to be concluded with them.

It may not however be improper particularly to explain, that no Bargain or Agreement whatever can be subsisted, which any of the said Inhabitants may have made or entered into with other Persons, respecting Lands or Houses, since the Time of the Surrender of the said Islands; nor will any Allowance be granted for Improvements of any kind, made in consequence of such unwarrantable Proceedings. All Lands and Houses (excepting the Town Lots granted by Governor Dalrymple, in Charlestown, in the Island of Dominica) which shall not be judged by the said Commissioners to originally belong to French Inhabitants occupying the same, will be the Property of the King, and disposed of according to his Majesty's royal Instructions.

By Direction of the Commissioners,
JOHN GREG, Sec.
