NOTICE is hereby given to the preceding Subscribers for Lots of Ground, in a Plan laid out for a Town on *FELL'S POINT*, *Patapsco* River, to pay their several Arrearages, or they will be proceeded against in the Courts of Justice (tho' much against my Inclination) but, as several Persons have subscribed and entered into Articles for Lots on said Point (thereby depriving others) the Rents thereon lie unpaid, and other Matters not comply'd with, I must take that Method to put such in Mind of what is Justice relating to such Engagements, unless timely prevented.

And whereas some Persons, from perurious Views, have been insidiously industrious in spreading a Report, that the Title to the Lots of Ground on said Point (in *Edward Fell's*) was disputable, precarious and doubtful, in order to intimidate Strangers, and as much as in their Power prevent every one from taking or improving Lots on the Point; this is to give Notice to the Public, that the Subscriber will give Attendance on said Point, and will clear up the Title to every generous and unbiased Mind to be good. Other Means have been made use of to prevent the Settling of *Fell's Point*, as the Water bad (and better could not be expected) and the Point not healthy, &c. the former has been proved false to a Demonstration, and the latter the Inhabitants in the Course of last Summer can Answer to, how long they may be favour'd with better Health than their Neighbours, Time only can shew. There are several valuable Lots on the Point that have been heretofore subscribed for, which are now free from such Subscription, and will be Sold or Let to the first that offers, by a Power invested in the Executrix.

For Terms apply to **JOHN BOND**, for **ANNE FELL**, Executrix of *Edward Fell*.
