

WANTS EMPLOYMENT,

A YOUNG Gentleman, lately arrived from England, who has been accustomed to Business, and will serve as a Clerk, upon moderate Terms. Apply to Alexander Lawson, near Baltimore-Town.

Virginia, June 20, 1768.

THE Earl of Tankerville's Concurrence being now had, and in the Country, to the Purchaser I sometime ago made of his Agents, in Virginia, so that Deeds can be had to the Part thereof, in Frederick County, Maryland, I proposed again to dispose off, which prevented its being done when formerly advertised, I now give Notice to all Persons, inclinable to purchase the Whole, or any Part thereof, that it is now on Sale, and can be completed, for which Purpose I will attend at the next August Frederick County Court, (which begins on the Third Tuesday in August) at the House of Mr. Charleston, ready to treat with any Person inclinable to purchase it. It is a Tract of choice good Land, remarkably suitable for Farming and Plantation Business, and very commodiously situate for Trade, being not far from Frederick-Town, and the Advantage of Navigation on Potomack River, the usual Landing the Boats now carry from, being upon the Land. It is well watered, and has great Quantities of Meadow Ground interspersed amongst it. It contains between Six and Seven Thousand Acres, and is usually known by the Name of COLVILL'S TRACT, called MERRY-LAND. Any Person, who, in the Interim, wants to view or treat for it, may apply to Messrs. John Carrey, Merchant, in Frederick-Town, or Frances Hamilton, at Keep-Trust Furnace, who have Power and Directions to treat for it, or to the Subscriber himself, at Occoquan Forges. It being mostly fine tendable Land, would make a good Settlement for a Number of People wanting to remove and seat themselves in one Neighbourhood. If there was more of them than the Tract could commodiously serve, the Subscriber has 16000 Acres of Land, equally good, on the opposite Side of Potomack, which will be soon settled out: It is almost adjoining the above Tract, excepting the Separation by the River, on which they might seat themselves contiguous to one another. Should not Purchaser offer soon for it, to the Subscriber's Liking, it will be leased out to good Farmers, there having been many Applications made for it, in that Way, and which can be let out at a very great Rent. Those who formerly applied to purchase, and still incline to do so, on giving Notice, in Time, will have Preference given them.

JOHN SEMPLE.

WILLIAM KNAPP,

WATCH and CLOCK-MAKER,

IMPRESSED with a grateful Sense of the Favours he has received from the Gentlemen of this, and the neighbouring Provinces, takes this Method of returning his sincere Thanks for the Countenance and Encouragement he has hitherto been honoured with; and, as he is solicitous to merit a Continuance of their Approbation, he has lately procured, at a very considerable Expence, a complete Apparatus, for the more effectual Execution of the different Branches in his Business, without which it is impracticable to give that Satisfaction he is studious to render, and he is determined, by unremitting Assiduity, and the utmost Exertion of his Abilities, to justify and secure the Public Confidence.

It is with Concern he finds himself reduced to the disagreeable Necessity of cautioning the Public against the continued Betcheries practised by many Pretenders to the Business, whose Inabilities are too frequently experienced by the Employer, as heavy Charges inevitably follow, to rectify the Errors of those Tasking Performers, and the Mechanism of the Piece is often destroyed, beyond the Power of Art to repair.

He has, of his own Make, GOLD, SILVER, and PINCHBECK WATCHES, of the best and newest Construction, finished in the genteelst Taste, some with Seconds in the Center, commonly called Stop-Watches, Eight-day and Alarm Clocks: The Qualities and Prices of all which are contrived to prevent Importation, as he flatters himself those Gentlemen, who have already dealt with him, can testify, and such as shall please to honour him with their Commands, will agreeably experience: The commendable Ardour which has been happily manifested for the Promotion of American Manufactures, induces him to hope for the Encouragement of all who are inclined to protect and countenance social Industry amongst us; and he doubts not but they will clearly perceive the Advantages of dealing with the Maker on the Spot, where they can previously examine what they purchase, and who will engage to keep his Work in Repair, at the trifling Charge of 3s. 6d. Annually (general Accidents excepted) He will receive and complete Watches or Clocks, made on any Principle, and agreeable to any Fashion, and will allow, in Exchange, the best Prices for old Watches and Clocks.

He will wait on any Gentleman in, or near this City, to repair their Clocks.

N. B. To be sold, just imported, Six PRINTS, elegantly framed and glazed, being Views of London, designed and engraved by the most eminent Masters in England. They are very proper Furniture for a Parlour, or Study. W. K.
