Aylesbury, September 14, 1763.

PRO MAGNA CHARTA, the antient and spirited ...otto of our Lord-Lieutenant, Baron le Despenser, ...s set this whole Country on Fire; and it appears ...ppily for this Kingdom, that the Words are deeply ...graven in the Hearts of every honest Elector. The ...ransactions of the 12th Instant at the General Meet...g, does infinite Honour to all the Parties concerned. ...ail Temple dined with the Freeholders at 10 l. a-Head; ...nd his well known Zeal upon every Point of Liberty, ...id not desert him upon this great Occasion. His ...ordship has now stepped forth, and put himself at the ...lead of the Stand, which is making in Support of the ...ery Vitals of the Constitution; and the avowed ...Union of the Three Brothers upon this impor...ant Object, connected with the whole Rockingham ...Party, almost secures a Certainty of Success. One most ...material Part of the Remonstrance and Petition agreed ...upon, has not yet found its Way into any of the Pa...pers; I shall therefore transcribe it for the public At...ention and Use. After setting forth the Rights of ...the Electors under Magna Charta, the Bill of ...Rights, &c. it goes on in this Manner: "Notwith...standing which in Defiance and Contempt of these our ...ust and antient Rights, coeval with the very Being of ...the House of Commons, *Two Days* before the last ...Election for the County of Middlesex, *your Majesty's Servants* thought proper, either by their own Authori...ty, or by their Advice to your Majesty, to confer a *nominal* Office on a Gentleman to vacate his Seat in ...Parliament, with the *avowed* Purpose of bringing him ...into the House of Commons as Knight of the Shire for ...the said County, by a *small* Number of Votes against a *great* Majority of *legal Electors*, which Purpose of theirs ...hath since been *fatally* carried into full Execution; ...Justly alarmed at an Attempt of this formidable Na...ture, thus planned and avowed *by divers evil Counsellors and Ministers*, Duty to our Sovereign, and to our *injured* Country, calls upon us, &c."

ANNAPOLIS, *November* 30.

On Tuesday last arrived here the Ship *Frederick*, Captain *Nicholson*, from *London*, but last from *Antigua*, in whom came Passengers, *John Morton Jordan*, Esq; his Lady and Family; as likewise Mr. *Masters*, and Family.

'Tis said Mr. *Masters* has imported in Capt. *Nicholson*, a Cargo of *European* Goods, which were purchased and ready for shipping before the 25th of *July*; prior to which no Accounts of the Association in this Province could have reached *England*; however, we are informed this Gentleman very willingly submits the Disposal of his Goods to the Determination of the Committee of Merchants in this City.

We hear the Hon. the Lower House of Assembly have Resolved to bring in a Bill for emitting Bills of Credit, on Loan, to the amount of 300,000 Dollars, in order to Supply this Province with a circulating Medium, at this Time much wanted.

We hear from *Charles* County, that Three Parcels of Goods, belonging to different Persons, have been landed there, contrary to the Tenor of the Association entered into in this Province, but Notice thereof being given to the Committee of Merchants, the Goods were re-shipped for *Great-Britain*.
