TO THE PRINTERS.
At the request of Mr. Hall and Mr. Matthias Ham-
mond, two of the committee for Anne-Arundel
county, I beg you to insert the following.
In the last week's gazette, Messrs. Joseph and James
Williams have been pleased to assert, that "about
o'clock the committee met, and sent for us to lay
our papers before them for their inspection, which we
accordingly did; and on their examining the same,
they acknowledged our conduct to be satisfactory in
every particular, except in importing so large a quan-
tity, which was all the objections they made."
I attended that meeting as clerk to the committee,
and think I heard, and was pretty observant of what
passed. I do not remember of any such acknowledg-
ment being made by the committee; nor was any ques-
tion propounded at that purpose, in my hearing, to
my knowledge, or belief; nor can I think the commit-
tee gave any such opinion as is there stated.

JOHN DUCKETT, Clk. Com.
P. S. The calling together the whole of the commit-
tee that attended on the 19th of October last, would
have been inconvenient to the gentlemen who reside out
of town. Those who live in town, think the long nar-
rative given by Messrs. Joseph and James Williams, de-
serves no further, or other answer at present, than is
contained in the clerk's certificate.

It having been represented that I had said I believed
that Capt. Jackson had sworn falsely, or that I did not
believe what he had sworn relatively to the tea to be
true—which must have arisen from a misapprehension,
or I declare I never had any idea of his having done
so—nor was I at all acquainted with the circumstances
of shipping the tea, but from mere report—and as it is
not justice to prevent Capt. Jackson from suffering in
the opinion of any one, as to my opinion of his oath or
veracity, I do very cheerfully declare, that I never had
any conception or idea of his having said or sworn
what was not true—nor do I recollect at this moment
the tenor of his deposition, having only seen it once,
and that very slightly. Witness my hand, this 22d. of
October, 1774.
Witne's present, STEPHEN WEST;
THO. HYDE.

THE jockey club of Annapolis being doubtful
whether the running of the races advertised in the
gazette to commence on the 15th instant, might not
be an infringement of the eighth resolution of the ge-
neral congress, have directed public notice to be given,
for notwithstanding the said races would have con-
cluded the jockey club subscription, neither that nor
any other will be run for.

Annapolis, November 1, 1774.
THOMAS PRYSE,
COACH-MAKER, from LONDON.

TAKES this method to inform his friends and the
public in general, that he has removed his shop
from the town-gate, to the house opposite doctor
Steuarts, near the Stadt-houfe, where he carries on the
said business in all its various branches, as he has sup-
plied himself with exceeding good workmen from
London; as also every article of the best sort to a very
great amount, consisting of several sets of the best
steel springs, spring curtains for coach and chariot,
bra's boxes, &c. &c. He has also a very good coach
and herold painter, that undertakes painting of
coaches, chariots, or chairs, either in cyphers, fes-
toons of flowers, or coats of arms, with varnishing,
gilding, or japanning, in the neatest and best manner;
and at the most reasonable rates: those ladies and gen-
tlemen that chuse to favour him with their custom in
any of the above branches, may rest assured, that his
constant endeavours shall be to give general satisfaction
to those that please to employ him, and the favour
greatly acknowledged, by the public's most humble
servant, THOMAS PRYSE.
N. B. I still continue the saddling and harness ma-
king business, as usual; and hope for encouragement
from the public to be sold as above, a quantity of
saddlers orrace, and thence with wibs, &c. &c.

Piscataway, October 26, 1774.
I HAVE for sale, two likely country-burn negroes,
a wench and a boy, for ready money, or good
bills of exchange. They were lately the property of
a certain William M'Pherson, senior, of Charles county,
and taken by a fieri facias for a debt, recovered from
him by James Simson, surviving partner of Buchanan
and Simson, merchants in Galloway, before the hon-
ourable the justices of the provincial court last April
term.—I will give a good right to the purchaser or
purchasers, notwithstanding an advertisement of the
8th current in this gazette, asserting the property of
the above slaves to be in something which calls itself
Karenhappuck M'Pherson.

ALEXANDER HAMILTON.
THE trustees for building a court-house and prison

agreeable to plans and elevations that will be there
produced, which plans &c. may be seen at any time
between this and the 16th, by applying to William

the subscriber is now at work on the locks, at the
lower falls, on the Maryland side of the river, with
what hands he has.
