WIL. LYLES, jun.

TO be sold, a tract of land in Berkely and Frederick counties, containing 12,076 acres; it lies seven miles on each side of Shenando river, the quantity on the east side, being only a slip of low ground, is inconsiderable; the quality of the land is remarkably good; and the conveniencies attending it great. There are two plentiful streams of water running through marshes three miles in length, some of which are already reclaimed meadows, and the rest, at a very small expence, might soon be reduced to the like state. On each side of the streams, mills might be erected and furnaces; the land affording stone, lime, iron, and lead ore. On one of the streams I have already erected a complete merchant mill, with a pair of the best French burrs for grinding of wheat, and at pair of common stones for grinding of Indian corn; besides this, there is near the dwelling-house a tub-mill, and on the other stream there is a valuable saw mill. There are five sealed and improved plantations; on one of them is a good stone house, two stories high, with two rooms on a floor, a kitchen, dairy, and all other convenient out-houses; on another plantation where Michael Pike lived, there is a good stone house; and at the other plantations there are overseers houses, negro quarters, barns, stables, tobacco houses, &c. The above tract shall be either partitioned off in lots of 1000 or 500 acres, or sold bodily to one purchaser. Belonging to this estate there are 112 negroes to be disposed of, together with all the stocks of cattle, equal to any in the colony; horses, mares, colts, hogs, &c. likewise all the necessary implements for the planter or farmer. Any person or persons inclinable to purchase are desired to make their proposals to me at Rosegilly, on Rappahannock river, or to leave them with the overseer, who lives at the house plantation, and will show the land. In November I shall be on the premises, and may then be personally treated with. Part of this land, and some of the negroes, belong to my eldest son, who leaves to me the disposition thereof, and will confirm any engagement I enter into on his part.

September 20, 1774. RALPH WORMELY.

September 20, 1774. ONE HUNDRED GUINEAS REWARD. WHEREAS an attempt has been made to set fire to Hockley forge near Elk-Ridge landing, belonging to the Baltimore company, they hereby offer the above reward to any person who will discover the offender or offenders, so as he, or they, be convicted thereof.

Those gentlemen that please to favour him with their kind custom, may depend on the gentlest and kindest treatment, and the greatest care taken of their horses; he has also provided himself with able saddle horses, for ladies and gentlemen, which he intends letting out at a reasonable rate; it is needless to add further, as his friends are well convinced of his care and fidelity to strangers and their horses.

DRUGS and MEDICINES. A fresh and very general assortment just arrived in the Nely Frigate, Capt. Wallace, and to be sold on the usual terms by JOHN BOYD.

At his medicinal store in Baltimore. IN this importation I have received a large quantity of patent medicines, perfumery and grocery, cinnamon, mace, nutmegs, cloves, alices and salt petre, &c. juniper, anise, fennel, coriander, caraway and fennel-greek seeds; also surgeons pocket instruments, sup furniture, cases of scalpells, best and common lancets, rupture trusses, &c. As it is probable a non-importation agreement may be soon entered into by the colonies, our intercourse with Great Britain must of course be much interrupted, and regular supplies of goods from thence, not so easily obtained as hitherto; my physical friends and other customers will please to advert to this circumstance, and supply themselves before my present stock is exhausted. I mean, however, to continue my importations by every opportunity, conformable to any general restrictions that may take place.
