

SUPPLEMENT to the MARYLAND GAZETTE.

THURSDAY, OCTOBER 25, 1781.

October 20, 1781.
To be sold by the subscriber, at public sale, on Thursday the 8th day of November next, if fair, if not the next fair day, on the premises, for specie, or new bills of credit (commonly called red money) at their actual value at the time of payment,

A VERY valuable tract of land, lying in the forest of Prince-George's county, adjoining to the brick church, about five miles from Upper-Marlborough, the same distance from Queen-Anne, and ten miles from Bladenburg. This tract contains about four hundred and twenty-five acres of land, one third at least of which is as rich and valuable meadow ground as any in the state of Maryland, being situated on that well known branch called Cottington, the greatest part of which is already cleared and fit for the sitch. The quality of the up-land is also very fine, and inferior to none in that part of the country, lays level, well watered, and has a sufficient quantity of wood with care to support the plantation. Building timber is wanting, and the houses on the place but indifferent. There are two apple orchards very good, and many other fruit trees of different kinds. The plantation is at present well fenced and in good repair. Also the crop of corn made on the plantation this year, amounting to upwards of three hundred barrels, some oats, cider, and cider casks, &c. Credit will be given for the greatest part, on the whole of the purchase money if required, or giving bond on interest with security. The title indisputable, and immediate possession will be given by

JOSEPH SIM.

To be sold at public vendue, on the 8th day of November next, for ready money only, gold or silver, or the late emission commonly called red money,

THAT well known STORE and LOT belonging to the subscriber, on the dock in the city of Annapolis. A good title will be given the purchaser by

L. JACQUES.

N. B. Any person on application to Mr. Dowton may see the premises and know the particulars.

Fork of Gunpowder, Baltimore county, October 16, 1781.

SUNDRY valuable negroes, among which are several excellent spinners; also stock of all kinds, and sundry plantation utensils, the property of Walter Dulany, late of the city of Annapolis, Esq; deceased.

The above effects are sold for the sole purpose of paying off long standing debts, so that no credit can possibly be given, and nothing but specie received.

The creditors of Walter Dulany (late of the city of Annapolis, Esq; deceased) are hereby requested to send in their accounts properly authenticated, as speedily as possible, to

GEORGE FITZBUGH,

administrator de bonis non of Walter Dulany.

September 16, 1781.

RAN away from colonel Edward Lloyd's plantation, on Wye river, on the 12th instant, a man slave called DICK UNGLE; he is about 26 years of age, 5 feet 8 inches high, stout and well made, has thick lips, and is very black; he is a sensible artful fellow, very complaisant, and can give a plausible account of himself; his appearance is not certainly known; he has followed the water, and will probably endeavour to escape that way. Whoever takes up and secures the said negro, so that his master may get him again, or will deliver him to the subscriber at Wye river, shall receive 30 dollars of the last emission as a reward.

RICHARD GRASON.

TO all whom it may concern; the inhabitants of Washington county, do hereby give notice, that they intend petitioning the next general assembly for a division of the said county into two.

LANDS FOR SALE.

STRING ENLARGED, 644 acres, resurveyed in January 1775, and certificate returned for 845 acres, examined and passed, by the name of Head-Quarters, but not patented, because of the war: part of Mansell's United Friendship, 359 acres: part of Mansell's Purchase, 1400 acres: The Scheme, 74 acres: these four tracts lie adjoining each other.

Part of Windsor-Forest, 1136 acres; this tract lies about 4 miles from the above lands. All the tracts are called Forest-land; a considerable part of them is very good soil; each tract is very well watered, and there are on the whole about 200 acres of good meadow ground. There is little timber on the above tracts, except on the main western fork of the western, or Delaware, falls of Patapsco river, where enough may be procured to build tobacco houses: these lands lie near the great main road from Frederick-town to Baltimore, and between 25 and 30 miles from the latter, and in the neighbourhood of the late Mr. Samuel Mansell. Resolution, granted for 667 acres, of which about one half is clear of elder tracts; this land lies below Bush-creek, about 8 miles from Frederick-town, near one Solomon Turner's. In all about 4147 acres. A reasonable price will be taken for the whole; if the tracts are sold separately, the price will be more or less, according to the quality and situation. The title to all the tracts is indisputable. Bond with security, for tobacco, or specie, with interest; or bills of credit of the last emission, at par with specie; will be taken in payment, and the lands immediately conveyed. Enquire of the printers. 15
