

TO BE SOLD,

TWO full properties, or two equal undivided twenty-fourth parts of East-Jersey, to which there is appertaining an undivided right to an elegant house in Amboy, where governor Franklin formerly resided, a share of the bank stock, as also a large quantity of lands unlocated, as well as rents due on those already located; it abounds in a good proportion of cedar, (swamp, and meadow ground; the fertility of the soil is so well known that little need be said in regard to the quality; should congress fix on that part of the country, according to resolve, for their permanent residence, it will undoubtedly render landed estates there still more valuable.
