HAVING finished his medical education, and provided himself with every thing necessary to the practice of physic, offers his services to the public in that line, flattering himself, that nine years application to the different branches of medicine, under the best teachers in America, is a sufficient apology for so doing. He has credentials from his late master Benjamin Rush, M. D. and profess. chem. in the university of Philadelphia, of having served a regular apprenticeship, and obtained a methodical knowledge of his profession, and certifies of having attended lectures on anatomy, surgery, materia medica, chymistry, theory and practice of physic, &c. ON the 28th of last month, a mulatto man, who said he was a free man, and that his name was Henry Osbourn, from Virginia, came to the subscriber's at Nanjemoy warehouse, in Charles county, Maryland, and brought with him an iron-gray gelding, near fifteen hands high, with a bob tail, gelding, near fifteen hands high, with a bob tail, and branded on the off buttock and shoulder, but both are imperceptible, so that the letters or impression cannot be ascertained; he swopped said gelding with a person of the neighbourhood for another, and presently set out for Annapolis, as he said on his departure. Some suspicions arising that the said horse might possibly not be the property of the said Harry Osbourn, he was pursued, and being thrown by the horse he had received in exchange, in endeavouring to get off, he secreted himself in the woods. The said gray gelding is supposed to be about eight years old, trots, paces and gallops, and is now in possession of the subscriber, from whom the owner may be seen, on proving his property and paying reasonable charges for keeping him.
