

Prince-George's county, October 1, 1784.
Some very good lands for sale,
and time allowed for payment, if desired.

SEVERAL tracts of rich level lime stone land adjoining to each other, and lying within 2 or 3 miles of that healthy and pleasant place Sheppard's town, in Berkeley county, Virginia, on Patowmack river: the land is full of sumach, locust, black walnut, black oak, cherry, and poplar; lies partly on Opecon, the Swan-ponds, and Vanmeter's marsh; the great road to Winchester and Carolina goes through them; also the roads to the warm springs. The tracts all together contain about 1600 acres, but can conveniently be divided; it is about 75 miles to Alexandria, 25 to Fredericktown; the land is very fine for grass, fine tobacco, hemp, wheat, and corn; several small fields and tenements are cleared upon it ready for cropping. There is a good neighbourhood, and every convenience of grist and saw-mills, iron works, and a ready market for every produce; the land lies in the same rich valley with Conococheague, and is every way equal to the best of it, and must, in a very few years, greatly increase in value.

Also four small tracts of good land, containing together between 7 or 800 acres, lying near the town of Bath, at the warm springs in Virginia, partly on the Cape-Capon river, capable of great improvement by saw and grist mills, and plenty of fine oak and large pine timber, meadow, and arable and tobacco grounds. The lands lie near and bordering on Patowmack river, and from their situation and soil must every year grow more valuable.

Also several tracts of land lying near Bennet's-creek, Bush-creek, and Seneca, in Montgomery county, Maryland, containing all together about 1600 to 2000 acres; they lie about 30 miles from George-town and Bladensburg, 10 from Frederick, about 40 from Baltimore; the soil makes the finest yellow tobacco, and there is a very great and good range for stock of all kinds.

The very great distress and troubles our country has been engaged in for the last nine years, I have felt most severely, as well as others, and therefore I have not harrassed by law-suits those indebted to me; but as we now enjoy the blessings of peace, a free trade, and a good crop, I earnestly request all those any way indebted to me, to contrive me as speedy and as liberal payments as possible, that I may be enabled the more readily to perfect my own engagements.

2 STEPHEN WEST.

RAN away from the subscriber, living near the Head of South river, in Anne Arundel county, on the second day of April, 1784. a negro woman, named LUCY, 27 years of age, slender made, and supposed to be about five feet 3 or 4 inches high; she has a remarkable slender hand and foot, has a brazen look, and is a little inclined to a yellow complexion; some of her upper jaw teeth are rotten and partly gone, but her upper fore teeth stand good and far apart; had on when she went away, a white country cloth short gown and petticoat, an old osnabrig shift, negro shoes, and white stockings; she took with her two other petticoats, one white linen other cotton and linen, one old osnabrig shift, two yards of new holland, some few yards of country cloth made with yarn and tow, and one pair of cotton stockings partly knit. Whoever takes up the said negro woman, and secures her so that her master may get her again, shall receive, if taken within ten miles of home, four dollars, if twenty miles six dollars, if further than twenty miles and within the state eight dollars; as it is supposed she is gone across the Bay, or to Baltimore, any person who secures her, either in Baltimore county, or on the eastern shore, or out of the state, and gives notice to her master so as he may get her again, shall receive twenty dollars reward.

2 BALDWIN LUSBY.

N. B. She tells people where she has been since she ran away, that she is free, and was set free by one of the Hopkins's; as they had set many free, perhaps she may change her name and her cloaths, and pass for a freed woman; some she tells that she was set free by the methodists.

TO BE SOLD,

ABOUT four hundred acres of LAND, being part of that well known tract called Whitehall, lying on the head of South river, in Anne-Arundel county, within four miles of navigable water and several fine mills, and ten from Annapolis. RAN away on the 2d of this instant from the subscriber, living three miles from Bladensburg, on the road leading to George-town, a negro fellow named JAMES, about 5 feet 10 or 11 inches high, a young lully fellow; had on when he went away, a striped country cloth jacket, an old cotton shirt, old light coloured wool hat, and a pair of old trousers; it is likely he may call himself Butler if he goes to any strange place, as he is a little a-kin to that family; he has a good coat of wool upon his head, the top of his head is cut short, and all the other part of the wool is left pretty long, turned up before in the fashion. Whoever takes up the said fellow and brings him home to me, shall receive the above reward and travelling charges paid by the subscriber. 2 THOMAS BOYD.

THE executors of the rev. Mr. Isaac Campbell, late of Charles county, deceased, beg leave to inform the public, and those gentlemen in particular, who before his decease, became subscribers for the publication of the first volume of his work entitled, "An Enquiry into the Origin, Foundation, Nature, and End of Civil Government," that it is their intention to comply fully with the proposals made with respect to the publication thereof, by the said rev. Isaac Campbell before his decease.

The aforesaid work having engrossed the attention of the rev. Mr. Campbell from the time of the commencement of the late war till his decease, (the principles whereof first suggested to him the subject of his enquiry); his extensive usefulness and success both in his public teaching as a clergyman and as the head of a justly celebrated school for many years; together with the well known philanthropy and patriotism of his sentiments, and the anxiety he ever expressed for the publication of the present work, which he seemed to consider as a legacy he was in duty bound as a christian, and lover of mankind, to give the world; afford a preface of the general usefulness and interesting nature of the work in question. The first volume will be immediately put into the press agreeable to the terms of the advertisement published by the rev. Mr. Campbell himself.

N. B. Subscriptions are still open in the hands of sundry gentlemen for those who may chuse to encourage the publication, there not being as yet a sufficient subscription to exonerate the executors from the expence of publication. All gentlemen who have subscriptions in their hands are requested to return them by the first of January, either to Dr. William Brown, at Alexandria, Dr. Gustavus R. Brown, at Port-Tobacco, in Charles county, or to William Campbell, at the city of Annapolis.

Subscriptions are taken in by the printers hereof.
