

THE executors of the rev. Mr Isaac Campbell, late of Charles county, deceased, beg leave to inform the public, and those gentlemen in particular, who before his decease, became subscribers for the publication of the first volume of his work, entitled, "An Enquiry into the Origin, Foundation, Nature, and End of Civil Government," that it is their intention to comply fully with the proposals made with respect to the publication thereof, by the said rev. Isaac Campbell before his decease.

The aforesaid work having engrossed the attention of the rev. Mr. Campbell from the time of the commencement of the late war till his decease, (the principles whereof first suggested to him the subject of his enquiry); his extensive usefulness and success both in his public teaching as a clergyman and as the head of a justly celebrated school for many years; together with the well known philanthropy and patriotism of his sentiments, and the anxiety he ever expressed for the publication of the present work, which he seemed to consider as a legacy he was in duty bound as a christian, and lover of mankind, to give to the world; afford a presage of the general usefulness and interesting nature of the work in question. The first volume will be immediately put into the press agreeable to the terms of the advertisement published by the rev. Mr. Campbell himself.

N. B. Subscriptions are still open in the hands of sundry gentlemen for those who may chuse to encourage the publication, there not being as yet a sufficient subscription to exonerate the executors from the expence of publication. All gentlemen who have subscriptions in their hands are requested to return them by the first of January, either to Dr. William Brown, at Alexandria, Dr. Gustavus R. Brown, at Port-Tobacco, in Charles county, or to William Campbell, at the city of Annapolis.

Subscriptions are taken in by the printers hereof.

A FEW elegant **SPRING CLOCKS**, in mahogany, black ornamental, and japan'd cases

To the gentlemen late officers in the Maryland line of the army.

THE assistant commissary appointed to liquidate the accounts of the Maryland line of the army, after every attempt to collect the papers necessary to enable him to effect the business, finds the muster-rolls for the year 1781 missing. His not having the pleasure of their personal acquaintance, and being ignorant of their places of residence, compels him to this method of soliciting all officers late commanders of regiments, companies, and others who have the muster rolls (or roll) of the Maryland troops for that year in possession (or have any knowledge where they are or were deposited) that they would be kind enough to transmit them to him at the city of Annapolis by the earliest opportunity, or be pleased to communicate such information on the subject as may appear necessary.
