Lands and Negroes for public Sale.
Baltimore, March 30, 1785.
To be sold by public vendue, at the Baltimore furnace, about two miles from Baltimore-town, on the 9th day of May next, at 10 o'clock in the forenoon.

BETWEEN forty and fifty slaves, consisting of women, girls, and boys, a considerable number of which are very likely; the terms of sale are, three years credit, on the purchaser's giving bond with approved security on interest, to be paid annually.

Also, on the 16th day of May next, at 10 o'clock in the forenoon, at major Brown's office-house, in Baltimore-town, will commence the sale of that famous tract of land called Philipsburgh, containing about 900 acres, lying very near said town, which was advertised by us on the 13th of September last for sale, therefore shall now only add, that most of it is good farming land, exceedingly well wooded, with a considerable quantity of ship and other timber; it will be laid off in lots of various sizes, according to their situations; as part of it lies on Patuxent river and Haris's creek, we apprehend there may be several good and convenient ship-yards, while those lots at a greater distance from navigation, will be commodious for gentlemen's country seats, small farms, gardens, pastures, &c. &c. The terms of sale of this land are, one shilling in the pound of the purchase money, to be paid down in cash, the next day after the sale, and three years credit to be given on the residue, on giving bond, with two or more approved securities, with legal interest, to be paid annually. Any person desirous to view the premises before the day of sale, are requested to apply to Mr. Miles Love, at Gorfuch's point, near said town.

Also, to be sold, at the time and place last above mentioned, about 150 acres of land, lying about one and a half miles from Baltimore-town, on which stands the Mount-Royal forge, with other considerable improvements. This land will be laid out in several lots, as it may be thought will best suit the purchasers. It has been suggested to us, that there are several valuable mill seats on this land, exclusive of the one where the forge now stands, we therefore recommend it to those gentlemen inclinable to speculate, to view the premises, which will be shewn by Mr. Zachariah Mackubin, surveyor, in said town, who will also shew the plots of the whole of the above lands. The terms of sale of this last mentioned land are the same of that of Philipsburgh, except that the one fifth of the purchase money of this to be paid down in cash, the next day after the sale, instead of one shilling in the pound. Attendance will be given at the different times and places of sale, by
10/30/ CLEMENT BROOKE,
JOHN MERRYMAN.

St. Mary's county, April 6, 1785.
TO BE SOLD,
THAT valuable tract of land, whereon the subscriber now lives, situated on the river Patowmack, seven miles below Leonard town, containing about thirteen hundred acres, one half of which is rich low land, well adapted for corn, tobacco, and small grain. The natural situation of this place, which is extremely beautiful, and equal if not superior in the state, is improved by a large and beautiful garden, falling yards, &c. The buildings are excellent, consisting of an elegant two story brick dwelling house, four rooms and a passage upon a floor, completely finished, a kitchen, work house, carriage houses, barns, stables, cow house, corn houses, &c. &c. As it is supposed that no one would choose to purchase without first viewing the place, any farther description is thought unnecessary. Possession will be given the purchaser at Christmas next, when one fourth of the purchase money will be expected, and credit, if required, given for the remainder, to be paid in three equal payments, on giving bond upon interest, with approved security.
