A VERY valuable tract of land lying on Aquia run, in Stafford county, in Virginia, not more than one mile from Aquia warehouse, about six miles from Dumfries, and twelve miles from Fredericksburg, containing six thousand acres; it is well watered and abounding with timber, calculated for planting or farming; on this land are several valuable mill seats, one particularly so. The above will be sold in lots of two or five hundred acres, as may best suit the purchasers; if sold by the whole tract three years credit will be given for one half the purchase, if in small lots only one year's credit will be given for one half; the other being paid at the time of conveyance. WILLIAM FITZHUGH.

WHEREAS Joshua Lee, late of Queen-Anne's county, did, in his lifetime, on the 27th day of December 1784, sign and seal an instrument of writing, which he published and declared to be his last will and testament; and whereas the same instrument of writing was subscribed by two witnesses only, by reason whereof the same is by law insufficient to pass the real estate therein intended to be devised: Notice is therefore hereby given, that I intend to prefer a petition to the next general assembly of this state, praying an act to pass, whereby the instrument of writing aforesaid, may be declared and confirmed to be the last will and testament of the aforesaid Joshua Lee, and good and sufficient for the purpose aforesaid.

15

RACHEL LEE.

APPLICATION will be made to the next general assembly of this state, to appoint commissioners to make a correct survey of the town of Upper Marlborough, in Prince-George's county, in order to ascertain and establish the boundaries thereof.

16

ROMULUS, A thorough bred Colt,

WILL cover this season at the subscriber's, in Charles county, within four miles of Piscataway, at the moderate price of six dollars a mare, and two shillings and six pence to the groom. Romulus is a good bay, full fifteen hands high, rising four years old, stout, well formed, very active, and I have great reason to believe he will make a good running horse; he was got by True Whig, who was got by Regulus, who was got by Fear-nought, who was got by Martindale's Regulus, who was got by the Godolphin Arabian; his dam was Aurora, who was got by Monkey, upon a mare of the Spanish breed imported by Mr. Harrison, father to the present Mr. Nath. Harrison, on James river. I will find pasturage for mares at two shillings and six-pence per week, great care shall be taken of them, but will not be answerable for escapes or accidents.

N. B. In order to establish the pedigree of Romulus, I have thought proper to insert the following certificates:

The bay mare Aurora, now the property of Mr. Benjamin Gwinn, of Fairfax, was bred by me, she was got by my imported horse Monkey, her dam was of the Spanish breed imported by my father. Given under my hand this 21st day of May 1783.

True Whig was bred by me, and was got by my old horse Regulus, out of the dam of Apollo; she was an imported mare, and said to be of the first blood in England, but her pedigree being lost I do not at present recollect it.

The bay colt Romulus, now the property of Messieurs Gwinn and Cawood, was bred by me; he was got by True Waig, out of my old mare Aurora, both mentioned above. Given under my hand this 22d day of June 1783.

December 21, 1784.

RAN away from the subscriber, living in Anne-Arundel county, near Queen-Anne, a negro man slave named SAM, about five feet seven inches high, well made, has a very flat nose, and when his mouth is shut his under lip looks very large and prominent, has a remarkable scar upon his neck reaching almost from his ear to his collar bone occasioned by an imposthume, but on which side I am not certain; had on and took with him various articles of cloathing, among which were a coarse blue cloth coat, white kersey waistcoat, black worsted knit breeches, black leather shoes, white metal shoe buckles, striped holland coat, nanken waistcoat and breeches, two snabrig shirts and trousers, a crocus frock, and a new felt hat, but as he has been absent from my service since the 15th of July last it is probable he may have got other cloaths. I have been informed he has a forged pass and has changed his name from Sam to Jem, and endeavours to pass for a free man. Whoever will take up and secure said negro in any gaol, so that I may get him again, shall receive the above reward, and reasonable charges if brought home, paid by

Likewise to be sold, a number of negroes, some of which are very valuable house servants, also some excellent horses fit for the road or draught. For terms enquire of the subscriber, living on the premises.

CUB,

FORMERLY the property of colonel Francis Thornton, is in high perfection at the subscriber's, and will cover mares the ensuing season at sixteen dollars.

Cub is from the first stock in England and Arabia, as appears from his pedigree, which is so well known, to infer it now will be useless.

The uncommon strength, activity, and great performance of Cub's colts on the turf, renders him in estimation equal to any horse on the continent.

I have exceeding good pasturage at 2/6 per week but will not be answerable for escapes or other accidents.

WILLIAM COURTS.
