C. RICHMOND, Auditor-General.

LAWS OF MARYLAND.

THE subscriber, printer to the state, takes leave to inform all persons who wish to have a copy of the laws of Maryland, from Bacon's abridgement up to the end of the last session of assembly, with the resolutions of the several conventions, the proceedings of the convention that framed the constitution, the declaration of rights and form of government, and the articles of confederation, that, by order of the general assembly, he shall begin that work in a few months, under the direction of Alexander C. Hanson and Samuel Chafe, Esquires; and as he intends to strike but a few copies more than what are ordered for the public use, or engaged by individuals, has sent subscription papers to the clerks of the several counties, and a number of other gentlemen in each county, for the purpose of collecting the names of those persons desirous of securing a copy of this useful and necessary work, which will be printed with a new letter, on a good paper, of the same size, and nearly on the same plan, with Bacon's, to be delivered (at a particular place in each county) bound in leather, at three pounds each copy. Having requested a return of the subscriptions by the middle of August, he hopes those who mean to subscribe will do it before that time, or they will lose the opportunity of purchasing so valuable a book.

FREDERICK GREEN.
Annapolis, May, 1785.

Prince-George's county, May 4, 1785.
WHEREAS, on the 19th day of February 1784, in consequence of a contract with a certain William Smanwood Wynn, of Prince-George's county, for a parcel of land devised him by his father John Wynn, deceased, I passed my bond to the said Wynn, for the payment of such a certain sum of money, on or before the 1st day of January 1786, as the land, when truly and justly laid out, would amount to, agreeable to the price per acre on the day of sale thereof; having now just reason to think the land subject to encumbrances that will prevent my being secured in the title thereto, I hereby caution all persons against taking any assignment of my bond aforesaid, as justice to myself and family requires a good title being made me to the land, before the payment of the above bond.

W 7 6 CHARLES BOARMAN.

May 30, 1785.
To be RENTED, and entered on the first day of August next,
THE store rooms, cellar, and counting room, now in the possession of one John H. Stone. The conveniences of the store rooms, cellar, and counting room aforesaid, are too well known to need a particular description, being in Port Tobacco, and in a most convenient stand for any merchant who proposes to carry on the purchase of tobacco, or any other produce of this part of Maryland. For terms apply to the subscriber in Port-Tobacco.

W 4 WILLIAM LAYMAN.

May 23, 1785.
THE subscriber being empowered to collect and receive the debts of messieurs Gaie, Fearon, and Co. of London, due them in the state of Maryland, requests all persons indebted to make immediate payment, to enable him to satisfy the claims against those gentlemen in this state. Constant attendance is given at his store, in Upper Marlborough, for that purpose.

W 4 JOHN READ MAGRUDER.

A few Copies of
CHAMPION ON COMMERCE,
To be sold at the Printing-Office.

George-town, Patowmack River, May 2, 1785.
WHEREAS Charles Beatty and George Hawkins did, in the years 1769 and 1770, by way of lottery, dispose of 300 tickets for land in the Addition to George-town, which said lottery was drawn on or about the first day of February 1770, and the said Hawkins has since conveyed all his right of said lots and rents to the aforesaid Beatty, and said Beatty has been and is affected with all the lots in said addition, which did not appear by records to be legally conveyed; Notice is hereby given to the possessors of the tickets where no legal conveyances have been given, to apply for their deeds, and pay the assessments and annual rents within 20 months from the date hereof, otherwise application will be made by the subscriber to have the said lots sold at public sale in order to pay the assessments and rents.

W 7 CHARLES BEATTY.

Montgomery county, May 27, 1785.
TWENTY DOLLARS REWARD.
RAN away from the subscriber, on Wednesday the 25th instant, a negro man named CESAR; he is a stout well made black fellow, aged about 45 years, his lips large and pouting, talks quick and loud and out of temper; his apparel chiefly consisted of broad country cloth when he went away; he was purchased of Allen Quynn, Esq; has had several masters in the Arundel county, where he has commonly gone by the name of Lewin's Cesar; he ran away about 15 months ago, was taken up at Mr. Refin's plantation on the Head of Severn, where he had been hired a considerable time as a free man, and was brought home about 10 days since; he probably will change his name and pass for a free man again. Whoever apprehends the said negro, and secures him so that I get him again, shall receive the above reward, and reasonable charges if brought home.

W 4 J. CRABBE.

NOTICE is hereby given, that a petition shall be preferred to the next general assembly, for a law to direct the recording a deed of conveyance from Jonathan Slater to Daniel Kent, of Carroll county, for part of a lot of land lying in Lower Marlborough, in said county.
