C U B,

is in high perfection at the subscribers, and will cover the ensuing season for six pounds, and a dollar to the groom.

It is useless to insert Cub's pedigree, as it is well known he is from the first stocks in England and Arabia. Many of his colts have shown themselves equal (if not superior) to any running horses on the continent; those out of inferior mares are fit for service of any kind.

I have good pasture at two shillings and six-pence per week, and any gentleman may be supplied with corn for mares left, it required, and great care taken of them, but will not be answerable for escapes or other accidents.

WHEREAS we have been informed that Mr. Edward Crow, jun. of Montgomery county, has maliciously and falsely endeavoured to injure our reputation, by circulating a libellous report, wherein he hath endeavoured to set forth to the public, that a villainous attempt was offered to his person by us on the road from Annapolis, which being utterly false, we take this public method to inform him of his base conduct, and call on him in his power, to declare on oath, any thing injurious to our reputation, which should he not comply with, we shall rest ourselves contented, hoping that his malicious designs being frustrated will terminate on his own head when they shall be viewed by the public.

An ACT to extend the time limited for bringing in and settling claims against this state by the citizens thereof; and for limiting the time for bringing in and settling claims against the said state by citizens of the United States.

WHEREAS by an act, entitled, An act to limit the time for bringing and settling claims against this state, it was enacted, That all claims upon this state, by any citizen thereof, which have arisen before the tenth day of January seventeen hundred and eighty-five, shall be brought in, liquidated and settled, on or before the tenth day of November seventeen hundred and eighty-five, and no claim against the state by any citizen thereof, which did arise on any account or transaction whatsoever, before the said tenth day of January seventeen hundred and eighty-five, shall after the said tenth day of November seventeen hundred and eighty-five, be paid or settled by the auditor or intendant, or paid by this state, unless the person having such claim is or shall be an infant, non compos mentis or feme covert, or be out of this state, in which cases one year shall be allowed to such persons respectively, after the disability removed, or the person so being out of the state returns, to bring in and settle such claims: and whereas it is represented to this general assembly, that sundry citizens of this state, having claims upon the same, through the remoteness of their situation from the auditor or intendant, and other causes, have not brought in the said claims to be liquidated and settled on or before the aforesaid tenth day of November seventeen hundred and eighty-five, as directed by the above recited act; and, it appearing reasonable, that a further time should be allowed, for the purpose aforesaid, to such persons as have just claims against this state,

Be it enacted, by the General Assembly of Maryland, That all claims upon this state by any citizen thereof, (except claims for the depreciation and pay of the army previous to the first day of August seventeen hundred and eighty,) which have arisen before the said tenth day of January seventeen hundred and eighty-five, may be brought in, passed and settled by the auditor-general or intendant, on or before the first day of June seventeen hundred and eighty-six, and paid by this state, any thing in the said recited act to the contrary notwithstanding.

And be it enacted, That all claims against this state by any citizen of any other of the United States, shall be brought in and settled as aforesaid, on or before the first day of December seventeen hundred and eighty-six, and that no claim against this state as aforesaid which shall not be brought in and settled agreeably to the directions of this act shall hereafter be paid by this state, unless the person having such claim be an infant, feme covert or person non compos mentis, or in some foreign country, in which cases one year shall be allowed to bring in and settle such claim, after the disability removed, or the return of such person to this or some one of the United States, as the case may be.

And be it enacted, That a copy of this act, under the great seal, shall be sent as soon as may be to the respective executive powers.

Auditor's office, Annapolis, March 27, 1786.

THE auditor gives notice to all concerned, that the following resolve, passed at the last session of the general assembly of Maryland, viz. "Resolved, That the auditor-general be authorized and directed to settle and adjust the accounts of all officers and soldiers who shall personally apply to him and who have served in the Maryland line, who have not been heretofore settled with, and who are entitled to a depreciation of pay agreeably to an act of this state, entitled, An act to settle and adjust the accounts of the troops of this state in the service of the United States, &c. and the supplements to said act, and to grant certificates for the amount thereof, provided that such application be made before the first day of November 1786, the auditor being fully satisfied of the identity of the person."

The auditor further informs every person who has not received his depreciation of pay as a soldier of the Maryland line in the continental army, that unless he produces a good and sufficient discharge from a field officer, or captain commanding the corps to which he belonged, together with a certificate from some respectable inhabitant of the neighbourhood where he resides, shewing that he is the identical person named in the discharge, his application will be of no effect. No depreciation can be granted to a deserter, or to any person who did not serve two full years or more from and after the first of January 1777.

C. RICHMOND, auditor-general.

Annapolis, March 29, 1786.

IN consequence of an act passed at the last session of assembly, the commissioners appointed to build a new church in the city of Annapolis, call upon those persons who carried away the 372,400 place, and 53,550 stock bricks, which they had in the year 1774 provided for that purpose, to render an account of the quantities they respectively took or caused to be taken away, and to pay for the same, otherwise a bill in chancery will be filed against them without delay. The commissioners request the favour of such citizens as know by whom any of the materials that were prepared for the church have been taken away, to inform them who the parties were, lest such persons should shamefully neglect to render an account.

The commissioners will contract with any person or persons inclined to dig and remove the earth where the foundation is to be laid, and to lay the foundation of a new church this spring, the dimensions 127 feet by 63 feet, stone for the purpose being already at the place; they also wish to receive proposals from any person inclined to make and deliver the above-mentioned number of bricks in the course of the ensuing summer. Mr. Thomas Hyde, one of the commissioners, will receive any accounts that may be rendered, or any proposals that may be made in consequence of this notice.

ALL persons having claims against Jesse Doyne, late of Charles county, deceased, are requested to bring them in legally proved, and those indebted are desired to make immediate payment to

ANNE DOYNE, executrix.
