**To be SOLD,**

**TWO** blooded stallions, the property of the late Mr. John Patterson, viz the noted horse **ROCHESTER**, who, for activity, elegance, and pedigree, is exceeded by none on this continent; his performance on the turf is so well known to most of the sportsmen of this state, as to render recapitulation needless. **ROMULUS** an elegant full blooded horse, (except a small mixture of the hunter) full sixteen and an half hands high, eight years old this spring, was esteemed a good runner until he met with a small lameness in training, which he has now got over; the above horses will be sold on a credit, the purchaser giving bond and approved security, if not sold by the twentieth of March next, they will be famed for the season. There is likewise for sale at the same place a handsome mare, three-quarters blood, very grey and a good hack, with an elegant filly, rising two years old, got by Rochester, equal in figure and size to any thing in the state. Any person inclining to purchase or to farm either of the above stallions, will meet with a good bargain by applying to the subscriber, living four miles on the road from Bush town to Havre de-Grace. All persons indebted to the estate of the above John Patterson, deceased, are required to make payment, and those who have any claims against the estate are desired to bring them in, that they may be adjusted and paid by

**ABOUT** 35 tons burthen, with her tackle and apparel. For particulars apply to the subscribers, at their store, in Annapolis, where they have for sale a large assortment of dry goods, amongst which are a quantity of reins from 30 to 50 fathoms long which they are determined to sell on the lowest terms for cash or country produce.

**THE** subscribers most earnestly request their customers who are in arrears with them, to pay off their several accounts as soon as possible; without this is done, their friends will easily see they cannot carry on the business with that advantage to their customers and themselves, which a ready money or short credit trade is capable of; most of the articles they deal in are ready money articles, and the rest they cannot procure but upon very short credit; they therefore hope their friends will take the matter into consideration, and discharge their balances. They have very urgent demands upon them which must be discharged on or before the first day of March next, and those of their customers who are in arrears, and do not assist them before that time, it is hoped will not consider it unreasonable to expect a payment in full at that period, which will greatly oblige their obedient servants,

Nothing is, therefore, due to Mr. West on the bond.

5th. The period of redemption of the principal sums subscribed to the above loan, shall be on the last day of December 1788, and the same shall be paid in gold or silver coin, to the parties or their legal representatives. Provided always, That a right be reserved to the United States of paying off the same at any period subsequent to the last day of December, 1787, giving public notification of such their intention throughout the several states, at least one month previous thereto.

6th. To ensure the reimbursement of the capital to the respective subscribers, the commissioners of the board of treasury engage, that as they shall be able from time to time to ascertain the subscriptions made in the several states, they will draw warrants in pursuance of the present requisition on the respective receivers of taxes for the whole amount of the sums subscribed in the states, and that the same shall, at no time thereafter, enter into the general disbursements of the treasury, but shall be punctually and distinctly appropriated for the redemption of the principal and interest of the monies subscribed to the present loan.
