SAMUEL OSGOOD, WATER LIVINGS TON. New-York, February 12, 1788.

Forty Silver Dollars, or Five Half Joes Reward,

OR apprehending one of the most unprincipled fellows in the state of Maryland, a dark mulatto flave named DICK, who absconded yesterday evening; he is about five feet eight inches high, well made and active, is about a8 years of age, has a scar by the right eye, which is very obvious upon examination; had with him an old turn'd cloth coat, jacket and breeches, yarn stockings, ofnabrig shirt and trousers, a felt hat, a pair of shoes and steel buckles, with a few other cloathes, but if possible by any stroke of villainy to acquire more, I make no doubt he will effect it. If caught great care ought to be taken to secure him properly, as he is master of such address that there is few people on whom he would not impose; he ran away about three months ago, and was brought from Red Stone, but I conjecture that he will now make to the eastern shore, or to the Delaware state, or Penntyl. vania, or en leavour to get on board some vessel. I will give the above reward to any person who will put him in Baltimore gaol, so that I get him again, or in addition thereto all reasonable travelling charges when delivered to me in the upper part of Anne-Arundel county and state of Maryland.
