OBSERVING a number of debtors to the state, as well as other individuals, are often in want of some kind of certificates, and at a loss where to get them on proper terms for their money, and the holders of certificates when in want of cash for them, are likewise at a loss for a market, for want of some particular place to apply, where they could be on a certainty of getting an exchange on reasonable terms.

The subscriber being well acquainted with the different kind of certificates and their passing value, has induced him to offer his service to provide, and inform those that do or may want, that by lodging the needful he will supply them with certificates, or cash, at a short notice, on reasonable terms, on paying a moderate commission. There being a number, who have payments to make in certificates to the treasury, that live at a considerable distance; many of whom wish to make payments as they provide money for that purpose, are prevented for want of the certificates, and not being convenient to ride 50 or 100 miles to get them and make a small payment; those who are thus situated that wish to be provided with certificates, and have them placed to their credit, by forwarding the money at any time may depend on being furnished with certificates, and payment made to their orders, on as good terms as if they were present, by their

Humble servant,

Twenty Dollars Reward.

RAN away from the subscriber's quarter in Loudon county, early in last month, a negro man named GEORGE, he is about 20 years of age, about 5 feet 7 or 8 inches high, his nostrils are remarkably wide, he sometimes complains of a wart on the bottom of one of his feet, which makes him a little lame; he is a likely sensible fellow: He had on a green jacket and overalls, of snabrig shirt, an old hat, shoes and stockings, and took with him a Dutch blanket, a blue broad cloth coat and breeches, a blue jacket without sleeves, and sundry other cloaths—He has been seen near this town since he ran away. Whoever will apprehend the aforesaid negro, and deliver him to the subscriber, or secure him in any gaol, so that he may be got again, shall receive the above reward, and if taken out of this state and brought home, all charges paid.

### Twenty Guineas Reward.

Upper Marlborough, October 28, 1788.

WENT away from the subscriber, on Friday last, a mulatto man named SIMON, a good blacksmith, twenty-eight years of age, five feet ten inches high, one of his ankles is larger than the other, carries himself pretty erect and of soft insinuating manners; his mother and brothers live with Henry May, blacksmith, near South river church, where, it is probable, he may be secreted at times; his wife lives in Baltimore with Samuel Chase, Esquire, so that he will, perhaps, divide his time betwixt those places. Ten guineas will be given to any person securing the above fellow, so that I get him again, or the above reward, if brought home.

### PROPOSALS,

For Printing by Subscription,

BY

ISAAC COLLINS,

IN TRENTON,

THE

### HOLY BIBLE,

CONTAINING

The OLD and NEW TESTAMENT,

WITH THE

Apocrypha and Marginal Notes.

CONDITIONS:

I. This work, to be contained in one large volume, Quarto, of nine hundred and eighty-four pages, will be reprinted page for page with the Oxford edition, on a beautiful new type, and good paper. An index will be added; and also the Scripture measures, weights and coins.

II. The price to subscribers, for the volume, well bound, four Spanish dollars; one dollar to be paid at the time of subscribing, the remainder on delivery of the book.

III. The work to be put to press, as soon as three thousand copies shall be subscribed for, and to be finished without delay.

The Editor has been encouraged, by a number of respectable characters, to offer the above proposals to the public, under a conviction that a handsome American edition of the Bible, in Quarto, will, at this time, be both seasonable and acceptable, as no part of the money will go out of the country.

This consideration, it is hoped, will be an inducement to subscribe, and of course promote the more frequent reading of this most invaluable book in private families. He therefore wishes to attract the attention, and obtain the countenance of people of all denominations; not doubting but that, in the execution of the work, he will be able to give ample satisfaction, both as to its accuracy and neatness.

Subscriptions will be received by Hugh Gaime and Edmund Prior, New-York; by Joseph Cruikshank and William Young, Philadelphia; by Townsend and Patton, Baltimore; and by the editor in Trenton.

It is requested, that the leading characters of all the different denominations of Christians in the United States, who may feel disposed to promote this undertaking, will, as early as may be, grant their assistance in procuring subscriptions—and that the several printers of news-papers in the union will be pleased to insert the above proposals in their papers.

### To all whom it may concern.

Mr. Isaac Collins has, for many years last past, been, and still is, printer to the state of New-Jersey: Having by this means had the more frequent opportunities to see his work, I have had abundant proof of the accuracy and correctness of his publications, as well as of his remarkable attention to business.

WIL. LIVINGSTON.

Trenton, 11th September, 1788.

### Two Hundred Dollars Reward.

THE subscriber, of Prince-George's county, in the month of October, 1787, had a tobacco-house, full of tobacco, consumed by fire in the night; and on the night of the 28th of August last, he had seven stacks of wheat and rye destroyed in the same manner, and an attempt at the same time was made to burn a new and valuable tobacco-house with three hogheads of packed tobacco, a quantity of plantation utensils, and a variety of other valuable property, therein. On the night preceding the evening when the aforesaid tobacco-house was burnt, Noley Young, Esquire, for whom the subscriber is manager, lost a tobacco house by fire. The subscriber is fully convinced that these misfortunes were not occasioned by accident, but that some depraved and hardened wretch has secretly and wilfully attempted his ruin by the commission of those enormities. The above reward of TWO HUNDRED DOLLARS is hereby offered to any person who will apprehend and secure the perpetrator or perpetrators of the crimes above mentioned, so that they be brought to condign punishment.
