OBSERVING a number of debtors to the state, as well as other individuals, are often in want of some kind of certificates, and at a loss where to get them on proper terms for their money, and the holders of certificates when in want of cash for them, are likewise at a loss for a market, for want of some particular place to apply, where they could be on a certainty of getting an exchange on reasonable terms.

The subscriber being well acquainted with the different kind of certificates and their passing value, has induced him to offer his service to provide, and inform those that do or may want, that by lodging the needful he will supply them with certificates, or cash, at a short notice, on reasonable terms, on paying a moderate commission. There being a number, who have payments to make in certificates to the treasury, that live at a considerable distance, many of whom wish to make payments as they provide money for that purpose, are prevented for want of the certificates, and not being convenient to ride 50 or 100 miles to get them and make a small payment; those who are thus situated that wish to be provided with certificates, and have them placed to their credit, by forwarding the money at any time may depend on being furnished with certificates, and payment made to their orders, on as good terms as if they were present, by their
