## New Tellament.

MONG the many excellent divines who have 1 adorned that part of the christian church commonly called " the Church of England," few have attained to so distinguished a height of honour and usefulness, as the Rev. WILLIAM BURKITT, the learned and pious author of the above work ---- Senfible that the New Testament contains a system of the most perfect religion, kindly revealed to purify our hearts, to refine our pallions, and by making us good here, to qualify us for eternal felicity hereafter; he anxioufly desired that all the world should be made acquainted with and enjoy the inestimable blessings of this divine religion: But well knowing, that in the word as in the works of Goo, many things occur hard to be un- who is authorifed to receive them. derstood, he applied himself with the most affectionate RDERED, That the report of BENJAMIN solicitude to remove this difficulty. From abilities and LOWNDES, trustee for the sale of the real citate piety like his, the church had every thing to hope. sale by the trustee, made as stated in his report of the most sanguine expectations of the public. His lots number nine and ten, lying in Bladensburg, to exposition of the sacred volume, is so judicious, and Jasper Wirt, on the thirteenth instant, be approved, at the same time so familiar and easy, that the inquirer after truth has but to consult the passage that perplexes him, and he will immediately find, not only the light of truth irradiating his mind, but a glow of devotion kindling in his heart .- But, as the best evidence of the merit of this work, suffice it just to say, that it has alland, and the call for it is still so great, that our infant country is annually drained of large sums of money to supply the demand.

Conditions.

THIS valuable work will be printed in the fize of a Family Bible, containing about 1100 pages Quarto on a fair paper and large type, neatly bound, lettered, and filleted with gold, and delivered to subscribers at fix dollars, one third only to be paid on subscribing, the rest when the book (handsomely finished) is deli-
