I will SELL, on moderate terms,

THAT valuable **FARM** on Kent Island, lately occupied by **Dr. JONATHAN ROBERTS**. It is situated immediately opposite to the city of Annapolis, is healthy and commands a very extensive view of the Chesapeake. The improvements consist of a good frame dwelling house, a large commodious brick quarter, two valuable tobacco houses, a very convenient cow house, two stables, a granary, carriage house, and every other necessary building that the accommodation of a family could possibly require. There is a very choice collection of every kind of fruit. The apple orchards have not yet reached maturity and now yield about thirty hogheads of cider, and several hundred bushels of excellent winter apples. The former proprietor of this place being a man of considerable industry and taste has taken uncommon pains to procure not only valuable fruit, but every other tree that are calculated to beautify and adorn a farm. There are several acres covered with locust and black walnut trees, planted by him, and now in perfection. The houses are all in excellent repair, and the fences in good order. There is seeded for the benefit of the purchaser between seventy and eighty bushels of wheat. A small part of the purchase money must be paid on the delivery of the place, which will be on the first day of January next, and an extensive credit will be given for the residue. Bonds, with approved security, will be exacted from the purchaser, and an indisputable title will be given him by
